SUBJECT: Division of Payment Operations 2013 Webinar Trainings – Medicare Secondary Payer (MSP)

The Medicare Plan Payment Group is pleased to announce that the Division of Payment Operations (DPO) will host a series of web-based trainings for external plans, regional offices, account managers, and other CMS staff. The objective of the series is to provide plans and other stakeholders with useful payment-related information.

The next **webinar** training will focus on *CMS Medicare Secondary Payer (MSP)*, and will be held Monday, May, 20, 2013 at 2:00 PM EST.

Part 1 of the MSP webinar training will answer questions that CMS has received from Medicare Advantage Organizations, and report on CMS' progress on MSP issues. Part 1 is designed to answer MSP-related questions from all levels of expertise. (Approximately 30 minutes).

Part 2 of the webinar will consist of training regarding the submission of MSP corrections using the Electronic Correspondence Referral System (ECRS). Although Part 2 is designed primarily for new or less experienced MSP analysts, ECRS experts will be available to answer more complex questions at the end of Part 2. (Approximately 90 minutes).

Participants must **use the link below** to register for this event. Participants who register in advance will receive a confirmation email with the web link and other event details. Conference lines are on a first come/first served basis due to the limited number of available conference call lines. We encourage participants to gather together and listen to the conference call on a single line when feasible.
