

## **HPMS E-Mail**

**Date:**           **July 29, 2013**

**Subject:**       **Release of Model ID Card and CY 2014 Formulary Model for Massachusetts Medicare-Medicaid Plans; Clarification Regarding Use of Previously Released Models in CY 2014 and Timing of Receipt of CY 2014 Annual Notice of Change and Member Handbook**

Attached to this email is the member ID card for Massachusetts Medicare-Medicaid Plans (MMPs) and a model formulary (and Spanish translation) for CY 2014.

We clarify that, with the exception of the formulary, all previously released models (including the provider/pharmacy directory, member handbook chapters, and summary of benefits) are the models Massachusetts MMPs must use for both CY 2013 and CY 2014.

Finally, we clarify that, for members enrolling with an October 1, November 1, or December 1, 2013 effective date, the CY 2014 annual notice of change (ANOC) and evidence of coverage (EOC)/member handbook documents must be received, along with the CY 2014 formulary and provider/pharmacy directory (or, for the directory, information about how to access the directory online or obtain a hard copy), within one month after the enrollee's effective date of enrollment, but not later than December 15, 2013.

Please contact the Medicare-Medicaid Coordination Office at [mmcocapsmodel@cms.hhs.gov](mailto:mmcocapsmodel@cms.hhs.gov) if you have any questions.
