

HPMS E-Mail

Date: October 13, 2015

Subject: Medicare Advantage Value-Based Insurance Design Model RFA

E-mail text:

The Center for Medicare and Medicaid Innovation in the Centers for Medicare & Medicaid Services (CMS) has released the Request for Applications for the Medicare Advantage Value-Based Insurance Design model.

Applications are due on January 8, 2016. Please note the revised list of VBID-eligible ICD-10 codes contained in the Request for Applications.

For more information and to retrieve a copy of the Request for Application please visit the Medicare Advantage Value-Based Insurance Design model webpage at <http://innovation.cms.gov/initiatives/vbid/>.
