Subject: Opportunity to Comment on Proposed Screening Instruments for SNPs

The Centers for Medicare & Medicaid Services (CMS) is announcing an opportunity for Medicare Advantage special needs plans (SNPs) and other partners to comment on the proposed list of screening instruments available for SNPs to meet the new requirement to include one or more questions on housing stability, food security, and access to transportation in their health risk assessments beginning in contract year 2024. Comments are due by December 27, 2022.

How to Comment

The 60-day notice for the proposed list of screening instruments (CMS-10825; OMB control number: 0938-TDB) is published at: <https://www.govinfo.gov/content/pkg/FR-2022-10-28/pdf/2022-23553.pdf>.

Please review the draft guidance document available at <https://www.cms.gov/regulations-and-guidance/legislation/paperworkreductionactof1995pra-listing/cms-10825>.

Please note we will accept comments in any format submitted electronically or by mail per the instructions in the notice by December 27, 2022.
