SUBJECT: California Disenrollment Penalty Implementation for CY 2020

This memorandum provides an update on financial penalties applied to select Medicare-Medicaid Plans (MMPs) participating in the California capitated financial alignment model demonstration.

Effective beginning CY 2019, CMS implemented an annual retrospective Medicare A/B financial penalty for California MMPs with high disenrollment rates.

For CY 2020 performance, the recoupment of the California Disenrollment Penalty will occur in the November 2022 capitation payment cycle for applicable MMPs. These recoupments will appear on the Plan Payment Report (PPR) on the “Special Adjustment” page.

Please contact the Medicare-Medicaid Coordination Office at mmcocapsmodel@cms.hhs.gov if you have any questions.
