Subject: Preparing for Contract Year 2024 SNP Model of Care Submissions

CMS notifies organizations of the availability of training on Contract Year (CY) 2024 Model of Care (MOC) submission requirements for Special Needs Plans (SNPs), MOC Scoring Guidelines, and three technical assistance (TA) calls.

NCQA will not conduct live MOC trainings this year. Instead, NCQA has posted pre-recorded training sessions and the CY 2024 MOC Scoring Guidelines on their Resources for SNPs page on their website: <https://snpmoc.ncqa.org/resources-for-snps>.

NCQA will conduct three technical assistance (TA) calls: November 29, 2022, and January 12, 2023, and a SNP MOC TA Cure Call on Tuesday, April 18, 2023. See below for time and call information.

Please note all MOC submissions are due in HPMS by 8:00pm EST on February 15, 2023.

CMS and NCQA asks for your feedback on the recorded training. Please complete the brief survey at the end of each session to provide suggestions for future training and help us respond to frequently asked questions.
