SUBJECT: NOTICE: September Drug Manufacturer Call on Implementation of IRA Medicare Provisions

The purpose of this memorandum is to notify drug manufacturers that the Centers for Medicare & Medicaid Services (CMS), Center for Medicare hosts monthly calls on implementation of the Medicare provisions of the Inflation Reduction Act of 2022 (Public Law 117-169). The September call will be held on Monday, September 18, at 3:00 pm ET.

CMS is committed to engaging our partners and the communities we serve throughout the policymaking and implementation process, including the implementation of the Inflation Reduction Act. Aligned with our strategic pillar, CMS created this forum to provide drug manufacturers the opportunity to ask questions and provide feedback to CMS on issues related to the implementation of the Medicare provisions of the new law.

The September 18 call will focus on the Negotiation Data Elements Information Collection Request (ICR) and current opportunities to submit input and data relevant to the drugs selected for the first cycle of negotiation.

Registered attendees are welcome to submit feedback by email at any time. CMS also welcomes submitted questions, which can be emailed to IRAREbateandNegotiation@cms.hhs.gov, indicating "9/18 Discussion Question" in the subject line.
