

## **CENTER FOR MEDICARE**

---

**DATE:** December 12, 2022

**TO:** All Organization Types, including Medicare-Medicaid Plans

**FROM:** Amy Larrick Chavez-Valdez  
Director, Medicare Drug Benefit and C & D Data Group

**SUBJECT:** Reporting of IRA Implementation and Emergency Part C and D Issues for January 1 through January 3, 2023

As in previous years, CMS is establishing a Part C and D operations monitoring program for January 1, 2023 through January 3, 2023. Non-technical significant emergency issues, should be reported via email to both [PartD\\_Monitoring@cms.hhs.gov](mailto:PartD_Monitoring@cms.hhs.gov) and your CMS Account Manager (AM).

Significant emergency issues are defined as Part C and D delivery issues that impact access to service for 100 or more beneficiaries. The problem should be reported even if it was time-limited but lasted an hour or longer (e.g., claims processing or call center was temporarily disrupted). Beneficiary-specific issues should be reported and resolved through the normal casework procedures and not reported through this process. Any issues after January 3 should be reported directly to the CMS Account Manager.

This year, plan sponsors should also report any and all issues, regardless of size or length of issue, concerning the implementation of the Inflation Reduction Act (IRA, P.L. 117-169<sup>1</sup>) section 11401 (Coverage of Adult Vaccines Recommended by the Advisory Committee on Immunization Practices under Medicare Part D) and section 11406 (Appropriate Cost Sharing for Covered Insulin Products under Medicare Part D) (i.e., no deductible with \$0 cost sharing for adult ACIP-recommended vaccines, and no deductible with \$35 maximum cost-sharing per one-month supply for each covered insulin product, respectively.)

**The 1-800-MEDICARE (1-800) and CTM holiday schedule is listed below:**

**Technical issues** should be directed to the MAPD Help Desk. The MAPD Help Desk, which is open Monday through Friday from 8 a.m. to 6 p.m. ET, will be open with limited hours December 23 from 8 a.m. to 4 p.m. ET, closed on December 26, 2022, open with limited hours December 31 from 8 a.m. to 4 p.m., and closed on January 2, 2023. **Updating CEO and Emergency Contact Information**

Sponsors must update their CEO (“CEO - CMS Administrator Contact”) and Emergency Contact (“Emergency [Part C or Part D] Contact” and “Emergency [Part C or Part D] Contact [Secondary] [Optional]”) information in HPMS by 5 p.m. ET on December 28, 2022, to accurately reflect on-call coverage for January 1-2, 2023. For purposes of January 1-2, 2023, these contacts should be limited to those individuals who are authorized to effectuate a change for the plan (e.g., CEO, COO, and CFO). CMS leadership will be using this contact information to monitor the resolution of any significant emergency issues.

The CEO and Emergency Contact numbers must be directed to phone numbers that will be monitored at least every 4 hours, from 8 a.m. to 8 p.m., by a responsible party, beginning January 1, 2023. In the past, some contact numbers were directed to voicemail accounts that were not checked until after the holiday or directed to customer service numbers that could not adequately respond to CMS inquiries. CMS does not consider this satisfactory. During the holiday, CMS staff will be monitoring region-specific email and voicemail complaint boxes for possible plan issues or access difficulties reported by State Health Insurance Assistance Programs (SHIPs), other partners, advocates, and beneficiaries.

CMS is very pleased to be working with the industry to ensure a smooth transition for 2023. We appreciate your cooperative spirit and remain committed to working with plans to ensure that beneficiaries have access to healthcare services and prescription drugs. If you have any questions regarding the significant/emergency reporting process or CEO/Emergency Contacts, please contact your Account Manager.
