**SUBJECT:** NOTICE: February Drug Manufacturer Call on Implementation of the IRA Medicare Provisions

The purpose of this memorandum is to notify drug manufacturers that the Centers for Medicare & Medicaid Services (CMS), Center for Medicare hosts monthly calls on implementation of the Medicare provisions of the Inflation Reduction Act of 2022 (Public Law 117-169). The February call will be held on February 27, at 1:00 pm ET.

CMS is committed to engaging our partners and the communities we serve throughout the policymaking and implementation process, including the implementation of the Inflation Reduction Act. Aligned with our strategic pillar, CMS created this forum to provide drug manufacturers the opportunity to ask questions and provide feedback to CMS on issues related to the implementation of the Medicare provisions of the new law.

On the February 27 call, CMS will provide a high-level overview of the [Medicare Prescription Drug Inflation Rebate initial guidance](#), including issues that CMS is seeking comment on, forthcoming policies and the near-term information collection requests (ICRs).

Registered attendees are welcome to submit feedback by email at any time. CMS also welcomes submitted questions, which can be emailed to [IRAREbateandNegotiation@cms.hhs.gov](mailto:IRAREbateandNegotiation@cms.hhs.gov), indicating “2/27 Discussion Question” in the subject line.
