**MEDICARE PLAN PAYMENT GROUP**

---

**DATE:** February 17, 2023

**TO:** All Part D Plan Sponsors

**FROM:** Jennifer R. Shapiro, Director, Medicare Plan Payment Group

**SUBJECT:** Annual Request for Part D Payment Reconciliation Contact Information

Each year, Part D sponsors identify contact persons for the Part D payment reconciliation and the Direct and Indirect Remuneration (DIR) reports. Part D sponsors enter this contact information into the Contract Management module of the Health Plan Management System (HPMS) for active Part D contracts. The Payment Process Contractor assists the Centers for Medicare & Medicaid Services (CMS) with the Part D payment reconciliation process, and as such, uses the contact information in HPMS in order to communicate with Part D sponsors about certain Part D payment reconciliation and DIR related issues.

**It is now necessary for the Payment Process Contractor to obtain contact information from all sponsors who had an active contract in 2022. Please note that this includes sponsors who had contracts active for only a portion of 2022.** The contact person(s) for the 2022 Part D payment reconciliation should be able to represent the Chief Executive Officer (CEO) or Chief Financial Officer (CFO) and be able to respond promptly to correspondence related to the Part D payment reconciliation process. The contact person(s) for the DIR reports should be able to answer technical questions related to the 2022 DIR reports.

The contact information for individuals authorized to discuss reconciliation issues and issues related to DIR is collected via HPMS. Please verify the accuracy of the information in HPMS and, if necessary, submit updates to this contact information into the HPMS Contract Management module using the following navigation path: *HPMS Homepage > Contract Management > Basic Contract Management > Select Contract Number > Contact Data*. If the contact information needs to be updated or submitted, please do so for each of your Part D contract numbers by **March 7, 2023**.

The HPMS Contract Management module may not be available to **terminated contracts**. Therefore, if your contract number was active in 2022, but is no longer active in 2023, you will need to submit this information to the Payment Process Contractor using the attached form. The completed form must be sent to the Payment Process Contractor via e-mail at [PartDPaymentSupport@acumenllc.com](mailto:PartDPaymentSupport@acumenllc.com) by **March 7, 2023**. Please note in the subject line, **“Payment Reconciliation Contact Information for Terminated Contracts.”**

Please limit the number of Part D payment reconciliation contacts and DIR report contacts to no more than two persons per parent organization (*i.e.*, two contacts for Part D payment reconciliation and two contacts for DIR reports). Each parent organization may designate only one contact as the CEO or one contact as the CFO. Multiple CEOs or multiple CFOs are not permitted. For each contact, please indicate the first name, last name, mailing address (including city, state, and zip code), phone number, fax number, and e-mail address. **We note that, with the exception of terminated contracts, sponsors are not to submit this contact information directly to the Payment Process Contractor via e-mail.**

For technical assistance in updating contact information in HPMS, please contact the HPMS Help Desk at either 1-800-220-2028 or [hpms@cms.hhs.gov](mailto:hpms@cms.hhs.gov). For other questions regarding this memorandum, please contact the Payment Process Contractor at [PartDPaymentSupport@acumenllc.com](mailto:PartDPaymentSupport@acumenllc.com).

Thank you
