Subject: Medicare Part C Reporting Requirements for 2022 Contract Year

The 2022 Part C Reporting Requirements (CMS-10261; OMB control number: 0938-1054) are available at www.cms.gov/Medicare/Health-Plans/HealthPlansGenInfo/ReportingRequirements. Although there are no changes to the reporting elements for the 2022 contract year, the technical specifications do contain minor updated language changes to the grievance/appeals section to clarify the reporting of the existing elements.
