Subject: Contract Year (CY) 2023 Online Enrollment Center (OEC) Test Cases Available

CMS has produced a **test** OEC enrollment file in support of the race and ethnicity changes that are effective for enrollment requests received on or after January 1, 2023.

This zip file contains two files: (1) a flat file for organizations using the OEC Management module user interface, and (2) a JSON file for organizations using the OEC API. Plans may need to adjust some of the data (e.g., contract number) before use.

Plans can access this zip file using the following navigation path in HPMS: Plan Bids > OEC Management > Documentation.

Please direct technical questions as follows:

Flat file – hpms@cms.hhs.gov or 1-800-220-2028

JSON file - hpmstechsupport@softrams.com
