SUBJECT: Extension of the Program of All-Inclusive Care for the Elderly Quality Data Reporting Submission Due Dates for Quarter 1 and Quarter 2 of Calendar Year 2020 - COVID -19

The Centers for Medicare & Medicaid Services (CMS) is announcing the extension of two quarterly submission due dates for Program of All-Inclusive Care for the Elderly (PACE) quality data reporting for 2020. In response to the COVID-19 public health emergency, CMS is extending the submission due dates for Quarter 1 and Quarter 2 as follows:

- Quarter 1 submission due date is extended from May 15th to July 15th.
- Quarter 2 submission due date is extended from August 15th to October 1st.

PACE organizations should consult with their State Administering Agencies regarding whether their states will extend the quarterly submission due dates in a similar fashion.

Beginning Quarter 3, CMS anticipates that PACE organizations will resume the normal quarterly schedule for reporting PACE Quality Data to CMS. CMS continues to monitor the situation and will update PACE organizations if the reporting schedule changes again.
