SUBJECT: Extension of the Medicare Advantage (MA) Value-Based Insurance Design (VBID) Model

Today, the CMS Innovation Center announced that the Medicare Advantage (MA) Value-Based Insurance Design (VBID) Model will be extended for Calendar Years 2025 through 2030. The model will introduce changes intended to more fully address the health-related social needs of patients, advance health equity, and improve care coordination for patients with serious illness.

The CMS Innovation Center looks forward to sharing more information on model updates when available. For more information on the current model design, see our overview [here](#). Interested parties can also contact the model team at VBID@cms.hhs.gov.
