**TO:** Ohio Medicare-Medicaid Plans

**FROM:** Lindsay P. Barnette

**SUBJECT:** Release of Revised Ohio Contract Year 2023 Provider and Pharmacy Directory

Accompanying this memorandum is an updated version of the Ohio Provider and Pharmacy Directory (PPD) for Contract Year (CY) 2023 developed jointly by CMS and the state of Ohio for MMPs operating in the Ohio capitated financial alignment model demonstration. This PPD replaces the model issued on May 27, 2022.

The PPD updates include additional information regarding the OhioRise program. Specifically, these updates include:

- The addition of a new section at B4. “OhioRise providers.” All following B sections should be renumbered.
- Additional bulleted sections at the end of section C1. “Child and Adolescent Needs and Strengths (CANS) Assessors” and “Mobile Response and Stabilization Services (MRSS)”.

Hard copy PPDs must be updated and received by members within 30 days. If updates to the hard copy Member Handbook are not practicable – for example, if they have already been printed – hard copy updates may be made via addenda.

This memorandum and the attached PPD model will also be posted to the Medicare-Medicaid Coordination Office’s Information and Guidance for Plans webpage at [www.cms.gov/Medicare-Medicaid-Coordination/Medicare-and-Medicaid-Coordination/Office/FinancialAlignmentInitiative/MMPInformationandGuidance/MMPMarketingInformationandResources](http://www.cms.gov/Medicare-Medicaid-Coordination/Medicare-and-Medicaid-Coordination/Office/FinancialAlignmentInitiative/MMPInformationandGuidance/MMPMarketingInformationandResources), grouped alphabetically by state under the “State-Specific Information” heading.
