SUBJECT: Medical Loss Ratio Data Form and Attestation Submission Reminder for Contract Year 2019

On June 19, 2020, CMS released a memo with the anticipated timeline for Contract Year (CY) 2019 medical loss ratio (MLR) submissions. CMS is releasing this memorandum to serve as a reminder and confirmation of the CY 2019 MLR timeline. The upload functionality for CY 2019 MLR data forms will be available in HPMS beginning November 6, 2020. The CY 2019 MLR data forms must be submitted in HPMS by **11:59 PM Pacific Time (PT) on Friday, December 4, 2020.**

The electronic attestation functionality for CY 2019 MLR will be available in HPMS beginning December 7, 2020. The CY 2019 MLR attestations must be submitted in HPMS by **11:59 PM Pacific Time (PT) on Wednesday, December 16, 2020.**

Each Medicare Advantage Organization (MAO), Cost Plan, and Part D Plan Sponsor is required to submit an MLR data form to CMS for each contract year pursuant to the regulations at 42 CFR §§ 422.2460 and 423.2460. The MLR data forms and electronic attestations must be submitted in the Health Plan Management System (HPMS) at: HPMS Home > Plan Bids > Medical Loss Ratio > CY2019. Instructions can be found at the same location.

MAOs, Cost Plans, and Part D Plan Sponsors whose CY 2019 contract(s) were terminated, consolidated, or withdrawn are required to submit an MLR data form that accounts for Part C and Part D revenue, including the risk adjustment reconciliation amounts. CMS will post the Part C and Part D risk adjustment reconciliation amounts by November 6, 2020 for CY 2019 contracts that terminated, consolidated, or withdrew at: HPMS Home > Risk Adjustment > Risk Adjustment Reconciliation Amount. These values were obtained from the June 2020 MMR, for adjustment reason codes (ARC) 25 and 37. These values are prior to application of sequestration (i.e., “gross” of sequestration). This information may be used in the development of CY 2019 MLR reporting.

The reporting requirements for CY 2019 MLR were revised by the final rule titled “Contract Year 2019 Policy and Technical Changes to the Medicare Advantage, Medicare Cost Plan, Medicare Fee-for-Service, the Medicare Prescription Drug Benefit Programs, and the PACE Program” [CMS-4182-F]. This final rule contained policy changes applicable beginning in

contract year 2019 that revise the MLR calculation to include in the MLR numerator all expenditures related to fraud reduction activities (including fraud prevention, fraud detection, and fraud recovery) and Medication Therapy Management (MTM) programs.

Questions regarding the Medicare MLR data form may be sent to MLRreport@cms.hhs.gov.

Technical questions may be addressed to the HPMS Help Desk at hpms@cms.hhs.gov.
