Additions will be identified in bold red. As a reminder, the list of participating labeler codes applies to Part D coverage of national drug codes (NDCs) approved under New Drug Applications (NDAs) or licensed under Biologics License Applications (BLAs), that is “brand” name drugs and “biologics.” Coverage of all other Part D drug NDCs (e.g. Part D drug NDCs approved under abbreviated new drug applications (ANDAs) or “generic” drugs) is not subject to this list.
