Subject: First Round of HPMS Crosswalk Exceptions for Contract Year (CY) 2021

The Centers for Medicare & Medicaid Services (CMS) is pleased to inform you that all Health Plan Management System (HPMS) crosswalk exceptions have been reviewed and processed for CY 2021 (Round 1). You are receiving this email since a crosswalk exception was requested for one or more plans under the contract identified in the subject line of this email.

To see the results of your crosswalk exception request, please view the HPMS Plan Crosswalk Report which is located at: HPMS > Contract Management > Contract Reports > 2021 > Plan Crosswalk Report

For approved crosswalks, you will see one of two possible approval types for each exception request:

- 1.) The HPMS plan crosswalk has been updated in the HPMS plan crosswalk; or
- 2.) The applicable plans have been identified as being permitted to submit MARx enrollment transactions.

For additional information, please refer to the May 1, 2020 HPMS memorandum email entitled "HPMS Crosswalk Exception Requests for Contract Year 2021". Any further questions regarding the crosswalk exceptions process should be sent to: <https://dmao.lmi.org/>. Select the Medicare Advantage tab and submit questions under the "Crosswalks" category.
