Subject: Please Join CMS and CDC for a Town Hall to Discuss Booster Shots for Age 65+ and High-Risk Individuals

You are invited to join the Centers for Medicare & Medicaid Services (CMS) and the Centers for Disease Control and Prevention (CDC), along with our partners at the US Departments of Treasury and Labor, for a Town Hall on COVID-19 vaccination efforts and COVID-19 payment system updates. The purpose of this Town Hall is to discuss the booster shot indications for age 65+ and high-risk individuals and to discuss readying reimbursement systems for upcoming COVID-19 vaccine doses. This Town Hall is designed for health insurance issuers and payers. Policy experts will present information on these topics and participants will have an opportunity to ask questions. Please see the recent Press Releases from [FDA](#) and [CDC](#) for more information.

When: Wednesday, September 29, 2021, 4:00 PM ET - 4:30 PM ET

Speakers:

- Centers for Disease Control and Prevention (CDC)
- Centers for Medicare & Medicaid Services (CMS)

* Additional confirmed speakers and an agenda will be shared with participants that RSVP.

Who should attend: This Town Hall is designed for leadership and employees of health insurance issuers and payers.
