

TECHNICAL EXPERT PANEL COMPOSITION (MEMBERSHIP) LIST

Project Title: Measure & Instrument Development and Support (MIDS) Patient Safety Measure Development and Maintenance: Patient Safety Indicators (PSIs)

Dates:

The TEP meeting(s) will convene between October 2019 and February 2022. The first TEP meeting will convene on November 18, 2019.

Project Overview:

The Centers for Medicare & Medicaid Services (CMS) has contracted with IMPAQ International to maintain the Patient Safety Indicator (PSI) 90 composite measure, its PSI components, and PSI 04, which are harmonized with the Agency for Healthcare Research and Quality (AHRQ) PSIs where feasible, but specified explicitly for implementation in CMS' hospital programs. The contract name is Measure & Instrument Development and Support (MIDS) Patient Safety Measure Development and Maintenance. The contract number is 75FCMC18D0027. As part of its measure development process, IMPAQ convenes groups of stakeholders and experts who contribute direction and thoughtful input to the measure developer during measure development and maintenance.

These individuals were selected and have agreed to serve as the TEP for this project.
