Dear Colleagues:

I am writing to request under the Freedom of Information Act copies of all data reported to Medicare by Medicare part D plans as outlined in the Final Medicare Part D Reporting Requirements Appendix Table 1. Please see the following website which details these reporting elements and includes Table 1.

[http://www.cms.hhs.gov/PrescriptionDrugCovContra/Downloads/PartDReportingRequirements\\_CurrentYear.pdf](http://www.cms.hhs.gov/PrescriptionDrugCovContra/Downloads/PartDReportingRequirements_CurrentYear.pdf)

In the event that you determine that specific data elements are not available or cannot be released, I request that all other data elements be released to me.

I request a waiver of fees for this material. The Center for National Health Program Studies is a non-profit research and information resource. The information obtained from this request will be used in our continuing research and health advocacy efforts.

Please acknowledge receipt of this letter.

Sincerely,

David U. Himmelstein, M.D.  
Co-Director, Center for National Health Program Studies  
Cambridge Hospital/Harvard Medical School
