Subject: Release of Updated Formulary Technical Manual

The CY 2009 Formulary Submission Module and Reports Technical Manual has been updated to include instructions on the submission and file formats of the supplemental formulary files: Free First Fill File, Gap Coverage File, Home Infusion Drug File, Excluded Drug File and Over the Counter Drug File. The updated manual is now available in the "In the News" section on the HPMS Homepage (dated 5/22/2008).

Thank you.
