Subject: Notice Regarding CMS Network Maintenance Activities

CMS has planned extensive network maintenance for Labor Day weekend. This work is scheduled to occur between Friday, September 4, 2009 at 9:00 pm and Monday, September 7, 2009 at 9:00 pm.

In anticipation of these maintenance activities, CMS has implemented a solution to ensure continued HPMS availability during this time period.

However, in the event that HPMS does become impacted, CMS has assembled a team of network support staff that will be available to begin troubleshooting efforts immediately in order to return HPMS to service.

Please contact the HPMS Help Desk at either 1-800-220-2028 or hpms@cms.hhs.gov with questions regarding this email.
