

Marketplace Confirmation Message Example: Automatically enrolled in a different type of plan

Consumers get a confirmation message from the Marketplace when they're automatically re-enrolled in coverage that starts January 1.

This example reflects a person who didn't renew by December 15, 2023, and whose 2023 insurance plan wasn't available to these consumers for 2024. To avoid a gap in coverage, the Marketplace sends this notice to the primary contact in a household where one or more people:

- Enrolled in health coverage through the Marketplace for 2023
- Qualified for tax credits and extra savings (cost-sharing reductions/CSR) for 2023
- Used their tax credits directly toward their premium costs in 2023
- Are now enrolled in a different type of health plan with the same insurance company

This person didn't return to the Marketplace to update information and select a plan by December 15, 2023, so the Marketplace automatically enrolled them in 2024 coverage, and determined eligibility for financial assistance based on information available to the Marketplace, including their projected household income for 2024.

Because their 2023 insurance company didn't offer the same 2023 plan in their area for 2024 coverage, the Marketplace enrolled them in a different type of health plan with the same insurance company to avoid a gap in coverage. For this reason, the notice includes instructions for requesting a Special Enrollment Period to choose a different plan. This Special Enrollment Period would also be available if the Marketplace enrolled them in a new 2024 plan with a different insurance company.

Dear [Name]:

You're automatically enrolled in the Marketplace plan(s) below for coverage beginning January 1, 2024.

If you enrolled in a different Marketplace plan after December 15, 2023, that plan's coverage may start on February 1, 2024, along with any help with costs that might be available to you, unless you enroll through a Special Enrollment Period. The rest of this message explains the status of your coverage for January, and includes important information about why you may want to update your application and check out other plans.

Your 2023 Marketplace plan isn't available to you in 2024. You're automatically enrolled in a different health plan. Be sure to pay the first month's payment by the plan's due date, or your 2024 coverage will be canceled.

Someone qualifies for a Special Enrollment Period to choose a different plan for coverage starting January 1. See details below. If you want to choose a different plan, act now to update your application and indicate that they lost coverage as of December 31, 2023.

Enrolled individuals	Now enrolled in this plan	Will I get financial help for this plan in 2024?
[Name]	[2024 Plan] Plan ID: [2024 Plan] Effective: January 1, 2024 This is a different type of plan offered by the same health insurance company you had coverage with in 2023.	Yes. This full amount of your premium tax credit will be applied to your monthly insurance premium: \$507.00. This plan has lower copayments, coinsurance, and deductibles (cost-sharing reductions).

The Marketplace determined your eligibility for financial assistance based on information including your household's projected income for 2024.

You won't have a gap in coverage.

You're automatically enrolled because you didn't select a Marketplace plan in time for coverage to start on January 1, 2024.

If you already started updating your Marketplace application for 2024 but didn't finish, you're now enrolled in the plan(s) above.

What should I do next?

For each plan shown, continue to pay your premiums for the new coverage year. Check with your plan to confirm your payment if you need to.

You can return to the Marketplace to compare plans and make sure you're getting the coverage and financial help you're eligible for in 2024.

Can I get new or different financial assistance?

Maybe. Update your application to see if you qualify for different financial help in 2024.

- Log into your Marketplace account and select your 2024 application.
- Make any necessary updates, like changes to your income or household size. Submit your application, then view your Eligibility Results.
- Compare your coverage options and select a plan. You can choose the plan we automatically enrolled you in, or a different plan.

Can I choose a different plan?

Yes. Make sure the plan you'll be enrolled in for 2024 is the right one for you. During Open Enrollment (November 1, 2023 – January 16, 2024), you can shop in the Marketplace to find a plan that meets your needs for the new coverage year.

If you pick a different plan, you'll still be covered in the plan(s) shown above for January, unless you qualify for a Special Enrollment Period.

The full amount of tax credit that you qualify for is now being applied to your monthly premium. If you want to use less, visit [HealthCare.gov](https://www.healthcare.gov), log into your Marketplace account, and select your 2024 application. Then select “Report a Life Change” to view your application. When you continue to enrollment, you can reduce the amount of tax credit you’ll use.

For anyone enrolled in a different type of health plan, or with a different health insurance company:

You’ll qualify for a Special Enrollment Period to choose a different plan up until March 1, 2024. **(However, your plan choices may be limited if you don’t make the change on or before Open Enrollment ends on January 16, 2024.)** Visit [HealthCare.gov](https://www.healthcare.gov), select your 2024 application, and indicate that you lost coverage in your old plan as of December 31, 2023.

Keep your Marketplace application up to date

If your circumstances change throughout the year, (like a move, marriage, or household income change, or if your employer starts offering you health coverage), you must report it to us within 30 days. This helps us:

- Find out if you qualify for a chance to change plans outside of Open Enrollment (called a Special Enrollment Period).
- Calculate the amount of financial help you can get so you won’t owe money on your 2024 taxes.
- Find out if you or someone in your household might qualify for free or low-cost coverage through Medicaid or the Children’s Health Insurance Program (CHIP).

If you had a change that you didn’t report within 30 days, you should still report the change immediately.

For a complete list of changes you should report to the Marketplace, visit [HealthCare.gov/reporting-changes/which-changes-to-report](https://www.healthcare.gov/reporting-changes/which-changes-to-report).
