

Latest Site Updates for the Medicare Coverage Database

March 2021

New functionality has been incorporated into the CMS Medicare Coverage Database (MCD). These changes are effective 3/5/2021:

Search:

1. Updated the Search function so that clicking on Search in the navbar will take you to the Search page, instead of to the Search Results (when they exist from a previous search).

Entire Site:

2. Updated the default page for the MCD site from the Advanced Search page to the Search page. This applies to users coming to the site for the first time. The Advanced Search function will be removed from the MCD on 4/30/2021.
3. Added the United States Web Design System (USWDS) "An official website of the United States government" banner to the MCD site.
