Final Contract Year (CY) 2019 Marketing Guidance for South Carolina Medicare-Medicaid Plans

Issued: November 30, 2018

Table of Contents

Introduction

All Medicare Advantage-Prescription Drug (MA-PD) plan sponsor requirements in the Contract Year (CY) 2019 Medicare Communications and Marketing Guidelines (MCMG), posted at http://www.cms.gov/Medicare/Health-Plans/ManagedCareMarketing/FinalPartCMarketingGuidelines.html, apply to Medicare-Medicaid plans (MMPs) participating in the South Carolina capitated financial alignment model demonstration, except as noted or modified in this guidance document.[1]

This guidance document provides information only about those sections of the MCMG that are not applicable or that are different for MMPs in South Carolina; therefore, this guidance document should be considered an addendum to the CY 2019 MCMG. This MMP guidance is applicable to all marketing done for CY 2019 benefits.

Use of Independent Agents and Brokers

We clarify that all requirements applicable to independent agents/brokers throughout the MCMG are applicable to MMPs in South Carolina.

Compliance with Section 1557 of the Affordable Care Act of 2010

MMPs are subject to the disclosure requirements under Section 1557 of the Affordable Care Act. For more information, MMPs should refer to https://www.hhs.gov/civil-rights/for-individuals/section-1557/.

For more information on South Carolina's specific Section 1557 requirements, please refer to the Section 1557 communication on September 29, 2016, and a Guidance Update memo from Healthy Connections Prime released to MMPs on December 6, 2016, which can be found at https://msp.scdhhs.gov/SCDue2/sites/default/files/Healthy%20Connections%20Prime%20-%201557%20Guidance%20Update%20Memo%20%28Dec%206%202016%29.pdf.

Formulary and Formulary Change Notice Requirements

South Carolina MMPs should refer to the November 1, 2018, HPMS guidance memorandum, "Part D Communication Materials," for guidance on formulary and formulary change notice requirements. As noted in that memorandum, additional updates to reflect changes related to 42 CFR § 423.120(b)(5), regarding notice of mid-year formulary changes and changes to the definition of an approved month's supply, will be incorporated into the Medicare Prescription Drug Benefit Manual in a future release. In addition, we note that South Carolina MMPs are required to adhere to all new regulatory provisions and requirements.

The requirements of the November 1, 2018 HPMS guidance memorandum apply with the following modifications:

- Formulary change notices must be sent for any negative formulary change (as described in section 30.3.3, "Midyear Formulary Changes," and section 30.3.4, "Provision of Notice

[1] Note that any requirements for Special Needs Plans (SNPs), Private Fee-for-Service (PFFS) plans, Preferred Provider Organizations (PPOs), and Section 1876 Cost-Based Plans (cost plans) in the MCMG do not apply unless specifically noted in this guidance.

Regarding Formulary Changes," of Chapter 6 of the Prescription Drug Benefit Manual), regardless of whether or not the negative formulary change applies to an item covered under Medicare or Medicaid, or as an additional drug benefit under the plan.

- Formulary change notices applicable to all formulary changes (not just Part D drug changes) must be maintained on South Carolina MMP websites.

Additional Guidance for South Carolina MMPs

The following are additional South Carolina MMP-specific modifications to the MCMG for CY 2019 beyond those that modify the MCMG:

- We clarify that organizations offering both MMPs and non-MMP Medicare health plan options in a service area may only market MMP offerings in their MMP materials.

- We clarify that MMPs may not send marketing materials to current MMP members about other Medicare products they offer, and they may not send information requesting members' prior authorization to receive materials about other Medicare products they offer. Such materials may only be sent when a current enrollee proactively makes a request for information about other Medicare products.

Logos

For purposes of the South Carolina demonstration, MMPs are subject to following guidance for use of the Healthy Connections Prime logo (the logo):

- All marketing, advertising, media (including Internet and social media sites), and member education materials must contain the logo.

- Other educational materials not included above and third-party publications (e.g., CDC guidelines, dietary information, disease management) do not require the logo as long as the MMP's name, logo and/or telephone number are not present. However, the logo must be present if the MMP's logo and/or telephone number is present.

- The logo and the MMP's logo and associated telephone numbers must be proportional in size and location.

- Nominal gifts, including items identified as "giveaways," which contain the MMP's logo must also contain the logo. If limited by dimensions of the nominal gift, the plan and the Healthy Connections Prime logos do not need to be the same size.

- The first page of any material that includes the MMP's logo should also include the logo, but the logo is not required on subsequent pages.

- Envelopes may, but are not required to, include the logo; however, consistent with Appendix 2 of the MCMG, envelopes are required to include the MMP's name or logo.

- The logo and the MMP's logo should be the same height and appear next to each other wherever possible.

- The MMP's logo should be on the left and the logo should be on the right when they appear next to each other, with the exception of the Member ID Card or any other model template document that specifically requires different placement. Logos that appear next to each other or on the same line of a page should be bottom-aligned (if the logos are approximately the same height) or center-aligned (if the logos are not approximately the same height).

- The MMP's logo should be above the logo when they appear above each other and should be center-aligned.

- The logo must be in color if the MMP's logo appears in color.

- The logo and the MMP's logo should retain their natural proportional size and should not appear stretched, distorted or pixelated. **The logos must be in the high resolution provided by the State. Lower resolution images are not allowed.** MMPs should check the resolution of the logos before finalizing materials.

Time Formats

The State has seen varying formats for showing hours of operations within the same paragraph or document and across documents. To standardize the formatting of times, please use: "XX x.m." when the time is on the hour and "XX:XX x.m." in all other instances (e.g., 8 a.m. to 5:30 p.m.)

MMP Member Services Toll-Free Number

All marketing, advertising, and member education materials the MMP sends must include the MMP's Member Services toll-free number. The exceptions are:

- Envelopes

- Educational materials not geared towards members

- Third-party publications (e.g., CDC guidelines, dietary information, disease management)

South Carolina Healthy Connections Medicaid References

In referencing Medicaid, MMPs must use "South Carolina Healthy Connections Medicaid" only in the first instance of each document. MMPs may use "Healthy Connections Medicaid" for all other instances in each document.

Other Terminology Preferences

MMPs must also:

- In referencing "Prime," use "Healthy Connections Prime"

- Use "member" instead of "enrollee"

- Use “primary care provider” instead of “primary care physician.”

- Use “nursing home” instead of “nursing facility,” unless it is in the context of a “skilled nursing facility.”

- Use “initial health screen” instead of “health risk assessment.”

- Choose between “care manager” and “care coordinator” and be consistent through the documents.

- Use “Medicare-Medicaid Plan” instead of “Medicare-Medicaid plan.” This is a change to Healthy Connections Prime’s approach in order to align with CMS’s approach.

Section 20 - Communications and Marketing Definitions

MMPs are subject to marketing and beneficiary communications applicable to Medicare Advantage plans in 42 CFR Parts 422 and 423, as well as those applicable to Medicaid managed care organizations in 42 CFR Part 438. CMS has developed a joint review process for MMP beneficiary materials under each Financial Alignment Initiative capitated model demonstration that combines state and CMS review requirements and parameters. Given these differences, CMS will continue to consider all CY 2019 MMP materials to be marketing materials as defined prior to the implementation of CMS-4182-F.[2] As a result, this section of the MCMG and its subsections do not apply to MMPs. We provide additional detail about materials subject to HPMS submission in the guidance related to section 90.1.1 of the MCMG in this document. In addition, for any other references to communications throughout the MCMG, the previous definition of marketing materials will apply.

In addition to this guidance, we clarify that there are several types of materials that are not required to be submitted as marketing materials in HPMS but that the State must receive an electronic copy at least seven (7) business days prior to distribution. In the email, the MMP must certify that the materials comply with the MMG and the state marketing guidance. The South Carolina Department of Health and Human Services (SCDHHS) reserves the right to disapprove an item that is incomplete, incorrect, unclear, misleading or uncorrected, or contains disallowed content. If the disapproval is not provided within seven (7) business days, the MMP can proceed with the distribution. However, should the State disapprove after seven (7) business days, the MMP must halt distribution and revise the item immediately unless otherwise agreed upon by the State.

Materials covered by this guidance include:

- All provider-facing material that contains details about the Healthy Connections Prime program. (Member-facing material should go through HPMS whenever possible.) Examples include:

    - "Quick reference" sheets that contain Healthy Connections Prime-specific

[2] “Contract Year 2019 Policy and Technical Changes to the Medicare Advantage, Medicare Cost Plan, Medicare Fee-for-Service, the Medicare Prescription Drug Benefit Programs, and the PACE program,” which may be found in the Federal Register published April 16, 2018 (see https://www.federalregister.gov/documents/2018/04/16/2018-07179/medicare-program-contract-year-2019-policy-and-technical-changes-to-the-medicare-advantage-medicare).

information about prior authorization, member/provider services numbers, appeals, etc.

  - Provider appeals and grievances information, since these business processes are likely to use different time frames than MMP standard Medicaid lines of business.

  - Invitations to multi-disciplinary team meetings.

- Training on multi-disciplinary teams (MDTs) or other aspects of Healthy Connections Prime. Note that general provider training material does not need to be submitted unless it addresses the Healthy Connections Prime program or members in particular.

- Material for Member Advisory Committees or similar groups. This includes letters inviting members to serve on the committee, meeting presentations, etc. These materials can be submitted to the Healthy Connections Prime inbox.

- Any items that use the Healthy Connections Prime logo. If the plan is only requesting a logo review, the MMP should state that in the email. Examples include:

  - Standard letters or other material where the only Prime-specific modification is the use of the Healthy Connections Prime logo.

  - Giveaway items (pens, mints, etc.) with the plan logo, and Healthy Connections Prime logo. If limited by dimensions of the giveaway items, the plan and the Healthy Connections Prime logos do not need to be the same size.

For these types of materials, MMPs should:

- Send them via email them to prime@scdhhs.gov and copy dustin.welch@scdhhs.gov

  - For Absolute Total Care, also copy brienne@ikasoconsulting.com

  - For First Choice VIP Care Plus and Molina Dual Options materials, also copy dvillamil@ikasoconsulting.com

- Use as the subject heading: **"[Plan name] NSR Submission: [item description]"**

General information for providers about doing business with the plan does not need to be submitted for review.

MMPs should feel free to ask SCDHHS directly if there are any questions about whether or not material is appropriate for submission. It is better to err on the side of caution.

Section 30.2 - Standardization of Plan Name Type

As is the case for other Medicare health plans, MMPs are required to include the plan type in each plan's name using standard terminology consistent with the guidance provided in this section. CMS created the standardized plan type label "Medicare-Medicaid Plan" to refer generically to all plans participating in a capitated financial alignment model demonstration. MMPs must use the "Medicare-Medicaid Plan" plan type terminology following their plan name at least once on the front page or beginning of each marketing piece, excluding envelopes,

consistent with the requirements of section 30.2 of the MCMG. South Carolina also refers to MMPs as Medicare-Medicaid Plans and has provided additional information about branding for the demonstration.

To reduce beneficiary confusion, we also clarify that MMPs in South Carolina that offer Medicare Advantage products, including special needs plans (SNPs), in the same service area as their MMPs may not use the same plan marketing name for both those products. Thus, for example, an organization offering both a SNP and an MMP in the same service area could not use the same name – e.g., Acme Duals Care (HMO SNP) – for its SNP product as for its MMP product – e.g., Acme Duals Care (Medicare-Medicaid Plan).

Section 30.3 - Non-English Speaking Population

The standard articulated in this section for translation of marketing materials into non-English language will be superseded to the extent that South Carolina's standard for translation of marketing materials is more stringent. Guidance regarding the translation requirements for all plans, including MMPs, is released annually each fall. Required languages for translation for the MMP are also updated annually, as needed, in the HPMS Marketing Module. We expect that the South Carolina translation standard – which requires translation of materials into "prevalent languages" (i.e., Spanish and any language that is the primary language of five (5) percent or more of the MMP service area population) – will again exceed the Medicare standard for translation in South Carolina MMP services areas for CY 2019.

CMS and the state have designated materials that are vital and therefore must be translated into the non-English languages specified in this section.[3] This information is located in section 100.4 of this document.

MMPs must have a process for ensuring that enrollees can make a standing request to receive the materials identified in this section, in alternate formats and in all non-English languages identified in this section and in the HPMS Marketing Module, at the time of request and on an ongoing basis thereafter.

For additional information regarding notice and tagline requirements, please refer to Appendix A and Appendix B to Part 92 of Section 1557 of the Patient Protection and Affordable Care Act.

Section 30.4 - Hours of Operation Requirements for Materials

In addition to the requirements of this section, MMPs must also provide the phone and TTY/TDD numbers and days and hours of operation information for South Carolina's enrollment broker at least once in any marketing materials that are provided prior to the time of enrollment and where a customer service number is provided for current and prospective enrollees to call.

[3] CMS makes available Spanish translations of the South Carolina MMP SB, formulary (List of Covered Drugs), Provider and Pharmacy Directory, and ANOC/EOC (Member Handbook). These are posted at https://www.cms.gov/Medicare-Medicaid-Coordination/Medicare-and-Medicaid-Coordination/Medicare-Medicaid-Coordination-Office/FinancialAlignmentInitiative/MMPInformationandGuidance/MMPMarketingInformationandResources.html. CMS makes available a Spanish and Chinese translation of the Part D transition letter to all Medicare health plans at https://www.cms.gov/Medicare/Prescription-Drug-Coverage/PrescriptionDrugCovContra/Part-D-Model-Marketing-Materials.html.

Section 30.6 - Electronic Communication Policy

We clarify that MMPs are permitted to initiate electronic communications only with current enrollees. MMPs that initiate electronic communications with current enrollees must follow the guidance in section 30.6 of the MCMG.

Section 30.8 – Product Endorsements/Testimonials

We clarify that an endorsement or testimonial cannot use negative testimonials about other plans, including MMPs.

Section 40.2 - Marketing Through Unsolicited Contacts

Section 40.2 of the MCMG provides examples of unsolicited direct contact with current and prospective enrollees. We reiterate that marketing via conventional mail and other print media (e.g., advertisements, direct mail) is not considered unsolicited contact and, therefore, is permissible. We clarify that MMPs are allowed to initiate electronic communications only with current enrollees per section 30.6 of this guidance.

In addition to the requirements of section 40.2, MMPs conducting permitted unsolicited marketing activities, such as through e-mail for current enrollees (provided that they include an opt-out function) conventional mail and other print media are required to include the unsolicited marketing materials disclaimer in Appendix 2 of this guidance on all materials used for that purpose. For purposes of this section, enrollment materials sent to passively enrolled individuals are not considered marketing through unsolicited contact.

Section 40.3 - Marketing Through Telephonic Contact

The requirements of section 40.3 of the MCMG apply with the following clarifications and modifications:

- MMPs may not call current MMP enrollees to promote other Medicare plan types. Information about other Medicare plan types can only be provided at the proactive request of a current MMP enrollee.

- Consistent with section 40.3 of the MCMG, calls made by the MMP to current members (including those enrolled in other product lines) are not considered unsolicited direct contact and are therefore permissible. Organizations that offer non-MMP and MMP products may call their current non-MMP enrollees (for example, those in Medicaid managed care products), including individuals who have previously opted out of passive enrollment into an MMP, to promote their MMP offerings.

- Plans may use reasonable efforts to contact current non-MMP enrollees who are eligible for MMP enrollment to provide information about their MMP products. Callers with questions about other Medicare program options should be warm transferred to 1-800-MEDICARE or to Insurance Counseling Assistance and Referrals for Elders (I-CARE) program (I-CARE is the State Health Insurance Assistance Program in South Carolina, and contact information is provided in Chapter 2 of the EOC (Member Handbook)) for information and assistance.

- MMPs may call enrollees who are in the process of disenrolling **before** the disenrollment effective date to conduct disenrollment surveys for quality improvement purposes. This is consistent with South Carolina Healthy Connections Medicaid policy in other program areas and allows contact with members solely for the purpose of learning the reasons for disenrollment. It is not permissible to engage in discussions to change the enrollee's choice to disenroll.

Section 40.6 - Marketing Star Ratings

Because MMCO is in the process of developing a Star Ratings system for MMP performance, MMPs will not be subject to the Star Ratings requirements in the MCMG. Therefore, this section does not apply to MMPs.

Section 40.6.1 - Marketing Plans/Part D Sponsors with an Overall 5-Star Rating

Because MMCO is in the process of developing a Star Ratings system for MMP performance, MMPs will not be subject to the Star Ratings requirements in the MCMG. Therefore, this section does not apply to MMPs.

Section 40.8 - Marketing of Rewards and Incentives Programs

MMPs may market rewards and incentives to current enrollees, as provided in section 40.8 of the MCMG. Any rewards and incentives programs must be consistent with section 100 of Chapter 4 of the Medicare Managed Care Manual.

Section 50.3 - Personal/Individual Marketing Appointments

The provisions of this section apply to MMPs, with the following modifications for appointments with agents/brokers:

- Agents/brokers are not permitted to conduct unsolicited personal/individual appointments.

- An individual appointment must only be set up at the request of the member, his/her authorized representative, or the State's broker or options counselor. An MMP agent/broker can offer an individual appointment to a member who has contacted the MMP to request assistance or information. MMP agents/brokers are prohibited from making unsolicited offers of individual appointments.

- An MMP's agent/broker must make reasonable efforts to conduct an appointment in the member's preferred location. An MMP's agent/broker cannot require that an individual appointment occur in a member's home.

Section 60.1 - Provider-Initiated Activities

We clarify that the guidance in this section about referring patients to other sources of information such as the "State Medicaid Office" also applies to materials produced by the State and/or distributed by South Carolina's enrollment broker.

Additionally, we clarify that the following activity listed in section 60.1 of the MCMG is prohibited for MMPs:

- Answering questions or discussing the merits of a plan or plans, including cost sharing and benefit information.

Section 60.2 – Plan-Initiated Provider Activities in the Healthcare Setting

We clarify that the guidance in this section of the MCMG applies only to provider-initiated activities for MMP in-network providers.

Section 60.4.1 - Special Guidance for Institutional Special Needs Plans (I-SNPs) Serving Long-Term Care Facility Residents

The flexibility provided in the second paragraph of this section for Plans/Part D sponsors to provide contracted long-term care facilities with materials for inclusion with admission packets that announce the Plan/Part D sponsor's contractual relationship is also applicable to MMPs.

Section 70.1.2 - Documents to be Posted on Website

The requirements of this section apply with the following modifications:

- MMPs are not required to post the LIS Premium Summary Chart as this document is not applicable to MMPs.

- Because MMCO is in the process of developing a Star Ratings system for MMP performance, MMPs are not subject to the Star Ratings requirements in the MCMG. Therefore, MMPs will not be required to post a CMS Star Ratings document on their websites.

Section 70.1.3 - Required Content

In addition to the requirements outlined in this section, MMPs must also include on their websites a direct link and the phone number for the options counselors known as SC Thrive, and/or the State enrollment broker, known as Healthy Connections Choices. MMPs must also include information on the potential for contract termination (i.e., a statement that the MMP may terminate or non-renew its contract, or reduce its service area, and the effect any of those actions may have on MMP enrollees, as required under 42 CFR 422.111(f)(4)), and information that materials are published in alternate formats (e.g., large print, braille, audio).

Section 80.2 - Customer Service Call Center Hours of Operations

We clarify that MMPs must operate a toll-free call center for both current and prospective enrollees seven (7) days a week, at least from 8 a.m. to 8 p.m. ET, except as provided below. Customer service call center hours and days must be the same for all individuals regardless of whether they speak English, a non-English language, or use assistive devices for communication. During this time period, current and prospective enrollees must be able to speak with a live customer service representative (CSR). MMPs may use alternative technologies on Saturdays, Sundays, and State and/or Federal holidays (except New Year's Day) in lieu of having live customer service representatives. For example, an MMP may use an

interactive voice response (IVR) system or similar technologies to provide the required information listed in section 80.1 of the MCMG, and/or allow a beneficiary to leave a message in a voice mail box. A CSR must then return the call in a timely manner, no more than one business day later. All other guidance in section 80.2 of the MCMG applies to MMPs.

Section 80.3 - Informational Scripts

We clarify that informational calls to plan call centers that become sales/enrollment calls at the proactive request of the beneficiary must be transferred to the South Carolina's enrollment broker.

We also clarify that MMPs may not ask callers if they would like to receive information about other Medicare lines of business they offer. Such information may only be provided at the proactive request of a member.

MMPs should refer to section 80.7 of this guidance, as well as section 80.7 of the MCMG, for clarification of the types of activities conducted by a plan customer service representative that do not require the use of State-licensed marketing representatives. MMPs must use a State-licensed (and, when required, appointed) marketing agent for any activity that meets the definition of marketing in section 20 of this guidance.

Section 80.4 - Telesales and Enrollment Scripts

Telesales scripts are considered marketing and must be submitted to CMS as outlined in section 90 of this guidance. The remainder of the guidance in this section on enrollment scripts does not apply to MMPs because enrollment requests must be transferred to South Carolina's enrollment broker.

Section 80.7 - Activities That Do Not Require the Use of State-Licensed Marketing Representatives

Consistent with section 80.7 of the MCMG, we clarify that in order to provide more than factual information, MMP outbound callers must be State-licensed (and, when required, appointed) marketing agents. The MMP must use State-licensed (and, when required, appointed) marketing agents for any activity that meets the definition of marketing in section 20 of this guidance.

Section 90 - Tracking, Submission, and Review Process

Any references in this section of the MCMG, and in all subsections thereunder, to CMS in its role in reviewing marketing materials are also references to the State for purposes of MMP marketing material review.

Section 90.1 - Material Identification

The second paragraph of this section of the MCMG is modified as follows for MMPs:

> The material ID is made up of two parts: (1) MMP contract number, (i.e., H number) followed by an underscore; and (2) any series of alpha numeric characters chosen at the discretion of the MMP. Use of the material ID on marketing materials must be

immediately followed by the status of either approved or accepted (e.g., H1234_drugx38 Approved). Please note that MMPs should include an approved status only after the material is approved and not when submitting the material for review.

The remainder of section 90.1 of the MCMG applies to MMPs, including the requirement that non-English and alternate format materials based on previously created materials may have the same material ID as the material on which they are based.

Section 90.1.1 - Materials Subject to Submission

CMS has developed a joint review process for MMP beneficiary materials under each Financial Alignment Initiative capitated model demonstration that combines state and CMS review requirements and parameters. Given these differences, CMS will continue to consider all CY 2019 MMP materials to be marketing materials as defined prior to the implementation of CMS-4182-F in CY 2019.[4]

Section 90.4 - Submission of Websites and Webpages for Review

MMPs must submit in HPMS all required website content listed in section 70 of the MCMG for review in HPMS under the Internet Website marketing material code for South Carolina for prospective state-only review. MMPs should submit their websites via links on a document. State reviewers should be able to review the information as it will be displayed on the website. The link may provide access to a live website or a test website, provided that the test site displays information as it will appear to the beneficiary/consumer. Submitting screen shots or text on a document is not acceptable. If the option to view online is not feasible, the MMP should contact their marketing reviewers prior to submission to receive permission to submit information in a manner other than a live link.

Once an MMP's website is reviewed and approved in its entirety, the MMP may update specific pages of the same website by submitting only the pages to be changed via links on a document in HPMS. Any updates to pages should be submitted with their own unique material ID and date stamped accordingly. MMPs must resubmit webpages for review when changes are made to plan benefits, premiums, or cost-sharing.

MMPs may make the website available for public use during the State review period; however, MMPs must indicate that the website is pending review until the State has either approved or disapproved the website. If the website or portions of the website are disapproved, MMPs must submit the revision to HPMS within 20 days.

MMPs are not required to resubmit materials that have received prior approval for posting on their website. Any documents that require submission to HPMS should not be posted on the website until they are approved by the State.

See section 70 of the MCMG for required website content.

Section 90.5 - Submission of Multi-Plan Materials

This section does not apply to MMPs.

Section 90.6 - Status of HPMS Material

We clarify that, for purposes of MMP materials, there is no "deeming" of materials requiring either a dual review by CMS and the State or a one-sided State review, and materials remain in a "pending" status until the State and CMS reviewer dispositions match. Materials that require a CMS-only review deem after the respective 10- or 45-day review period. MMPs may obtain more information about the specific review parameters and timeframes for marketing materials under the South Carolina capitated financial alignment model demonstration in the Marketing Code Look-up functionality in the HPMS marketing module. In addition, we note that the "non-marketing" status is not available for joint review process (JRP) marketing codes in HPMS for CY 2019. All other guidance in this section of the MCMG applies.

Section 90.8 - File & Use Process

We clarify that the File & Use certification process for MMPs is included in the three-way contract. All other guidance in section 90.8 of the MCMG applies.

Section 100 - Required Materials

We clarify that CMS will continue to consider all CY 2019 MMP materials to be marketing materials as defined prior to the implementation of CMS-4182-F.[5] As a result all marketing materials must be submitted in HPMS. All other portions of this section apply to MMPs.

Section 100.4 - List of Required Materials

This section is replaced with the following revised guidance:

> **Section 100.4 - List of Required Materials**
> 42 CFR Parts 417, 422, 423, 438
>
> **Model Materials**
>
> We note that materials MMPs create should take into account the reading level requirements established in the three-way contract. Available model materials reflect acceptable reading levels. Current Part D models are acceptable for use as currently provided, and MMPs must add required disclaimers in Appendix 2 of this guidance and Appendix 2 of the MCMG, as appropriate. Adding required MMP disclaimers to Part D models does not render the documents non-model when submitted for review or accepted as File & Use materials.
>
> We refer MMPs to the following available model materials:

[5] "Contract Year 2019 Policy and Technical Changes to the Medicare Advantage, Medicare Cost Plan, Medicare Fee-for-Service, the Medicare Prescription Drug Benefit Programs, and the PACE program," which may be found in the Federal Register published April 16, 2018 (see https://www.federalregister.gov/documents/2018/04/16/2018-07179/medicare-program-contract-year-2019-policy-and-technical-changes-to-the-medicare-advantage-medicare).

- MMP-specific model materials tailored to MMPs in South Carolina, including an Annual Notice of Change (ANOC), Summary of Benefits, Evidence of Coverage (EOC) (Member Handbook), comprehensive integrated formulary (List of Covered Drugs), combined provider/pharmacy directory (Provider and Pharmacy Directory), Member ID Card, integrated denial notice, and welcome letter for opt-ins and passively enrolled individuals: https://www.cms.gov/Medicare-Medicaid-Coordination/Medicare-and-Medicaid-Coordination/Medicare-Medicaid-Coordination-Office/FinancialAlignmentInitiative/MMPInformationandGuidance/MMPMarketingInformationandResources.html.

Required Materials and Instructions for MMPs

Below is a list of required materials for South Carolina MMPs. In addition, we provide high-level information for each material. Guidance (as noted) should be reviewed as applicable. Additionally, MMPs should consult the HPMS Marketing Code Look-up functionality for specific codes and instructions for uploading required materials.

MMPs may enclose additional benefit/plan operation materials with required materials, unless specifically prohibited in instructions or prohibited as noted below for each material. Additional materials must be distinct from required materials and must be related to the plan in which the beneficiary enrolled.

Annual Notice of Changes (ANOC)	
To Whom Required:	• Must be provided to current enrollees of plan, including those with October 1, November 1, and December 1 effective dates.
Timing:	• MMPs must send for enrollee receipt no later than September 30 of each year. (**Note**: ANOC must be posted on MMP website by October 15.) • Enrollees with October 1, November 1, and December 1 enrollment effective dates must receive the ANOC for the upcoming year by one month after the effective date of enrollment but not later than December 15.
Method of Delivery:	Hard copy, or electronically, if enrollee has opted into receiving electronic version as permitted in section 100.2.2 of the MCMG.
HPMS Timing and Submission:	• Code 16908 • Must be submitted prior to mailing ANOCs.
Format Specification:	• SC MMP model required for current Contract Year. • Standardized model; a non-model document is not permitted.
Guidance and Other Needed Information:	• Actual Mail Dates (AMDs) and number of recipients (not the number of ANOCs mailed) must be entered into HPMS within 15 days of mailing. This includes mail dates for alternate materials. MMPs that mail in waves should enter the AMD for each wave. MMPs may enter up to ten waves of mailings. For instructions on meeting this requirement, refer to the *Update AMD/Beneficiary Link/Function* section of the Marketing Review Users Guide in HPMS. • **Note**: For a single mailing to multiple recipients, as allowed under section 100.1 of the MCMG, MMPs should enter an AMD that reflects the number of recipients, not the number of ANOC/EOCs (Member Handbooks) mailed. • Plans may include the following with the ANOC: o Summary of Benefits o Provider and Pharmacy Directory o EOC (Member Handbook) o Formulary (List of Covered Drugs) o Form allowing enrollees to “opt-in” to receiving their upcoming ANOC and EOC (Member Handbook) via e-mail. o No additional plan communications unless otherwise directed.
Translation Required (5% Threshold):	Yes.

ANOC and EOC (Member Handbook) Errata	
To Whom Required:	Must be provided when plan errors are found in the ANOC or EOC (Member Handbook) and sent to current enrollees.
Timing:	Must send to enrollees immediately following CMS approval.
Method of Delivery:	Hard copy, or electronically, if enrollee has opted into receiving electronic version as permitted in section 100.2.2 of the MCMG.
HPMS Timing and Submission:	• Code 16005 for ANOC errata. • Code 16960 for EOC errata. • ANOC errata must be submitted by October 15. • EOC (Member Handbook) errata must be submitted by November 15.
Format Specification:	Standardized model; a non-model document is not permitted.
Guidance and Other Needed Information:	MMPs must use an errata notice to notify enrollees of plan errors in their original documents. We clarify that errata notices should only be used to notify enrollees of plan errors in plan materials. **Note:** Any mid-year changes, including but not limited to mid-year legislative benefit additions or removals and changes in enrollment policies, should be communicated to current enrollees consistent with the "Mid-Year Change Notification" guidance in this section. The HPMS errata submission process should not be used for mid-year changes to materials that are not due to plan error. Instead plans should use the HPMS marketing module replacement function for these changes.
Translation Required (5% Threshold):	Yes.

Coverage/Organization Determination, Discharge, Appeals and Grievance Notices	
To Whom Required:	• Must be provided to enrollees who have requested an appeal or have had an appeal requested on their behalf. • Grievances may be responded to electronically, orally, or in writing.
Timing:	Provided to enrollees (generally by mail) on an ad hoc basis, based on required timeframes in three-way contract.
Method of Delivery:	Hard copy, or electronically, if enrollee has opted into receiving electronic version as permitted in section 100.2.2 of the MCMG.
HPMS Timing and Submission:	Various codes for CMS required notices. Refer to HPMS Marketing Code Look-up functionality for SC MMP codes.

Method of Delivery:	Must be provided in hard copy. In addition to the hard copy, plans may also provide a digital version (e.g., app).
HPMS Timing and Submission:	Code 16910
Format Specification:	Standardized model; a non-model document is not permitted.
Guidance and Other Needed Information:	MMPs must issue a single Member ID Card meeting these requirements for all services offered under the plan. Separate pharmacy and health benefits Member ID cards are not permitted.
Translation Required (5% Threshold):	No.

Mid-Year Change Notification to Enrollees	
To Whom Required:	Must be provided to all applicable enrollees when there is a mid-year change in benefits, plan rules, formulary, provider network, or pharmacy network.
Timing:	Ad hoc, based on specific requirements for each issue.
Method of Delivery:	Hard copy, or electronically, if enrollee has opted into receiving electronic version as permitted in section 100.2.2 of the MCMG.
HPMS Timing and Submission:	Various codes. Refer to HPMS Marketing Code Look-up functionality for SC MMP codes.
Format Specification:	Model not available; must include required content.
Guidance and Other Needed Information:	• Information about non-renewals or service area reductions may not be released to the public, including current enrollees, until model notice is received from CMS. • MMPs may elect to share Non-Renewal and Service Area Reduction (NR/SAR) information only with first tier, downstream, and related entities (FDRs) or anyone that the MAO does business with (i.e., contracted providers). • Additional NR/SAR notice information can be found in the annual "Non-Renewal and Service Area Reduction Guidance and Enrollee Notification Models" HPMS memo. • If a non-model document is created the document must contain all the elements in the model.
Translation Required (5% Threshold):	Yes.

Outbound Enrollment Verification

Timing:	Must be conducted within 15 calendar days following the receipt of the enrollment request.
Method of Delivery:	Hard copy, telephonic, email.
HPMS Timing and Submission:	Not applicable
Format Specification:	Model not available, must include required content.

Outbound Enrollment Verification	
Guidance and Other Needed Information:	• Communication must address enrollment into MMP and provide customer service number for beneficiary questions regarding costs, benefits, rules, or any other question about the plan. • May be completed via phone call (including during welcome call) or via email, if email is requested by an enrollee. • Must send a written communication if the plan fails to speak with the individual within 15 calendar days of enrollment requests. • Agent/brokers are not permitted to be part of the enrollment verification call. • Enrollment verification processes must stop if plan is notified that beneficiary is ineligible to enroll in plan or if beneficiary has canceled the enrollment. • Method and timing of the enrollment verification must be documented (date, time, and method of contact). • We clarify that we consider a Medicare Advantage (MA) to MMP plan change, even if within the same parent organization, to be a plan switch that triggers the outbound enrollment verification requirements.
Translation Required (5% Threshold):	Yes.

Part D Transition Letter	
To Whom Required:	Must be provided when a beneficiary receives a transition fill for a non-formulary drug.
Timing:	Must be sent within three (3) days of adjudication of temporary transition fill.
Method of Delivery:	Hard copy.
HPMS Timing and Submission:	Code 16938

Timing:	Ad hoc.
Method of Delivery:	Hard copy.
HPMS Timing and Submission:	Code 16936
Format Specification:	Part D model provided; modifications permitted.
Guidance and Other Needed Information:	The model notice should only be used when the transfer of the prescription is not initiated by the beneficiary (or someone on his or her behalf).
Translation Required (5% Threshold):	Yes.

Provider and Pharmacy Directory	
To Whom Required:	Must be provided to all current enrollees of the plan.
Timing:	• Must be sent to current enrollees of Plan for receipt by October 15 of each year. • Must send to enrollees who opt in to the MMP for receipt no later than ten (10) calendar days from receipt of CMS confirmation of enrollment or by last day of the month prior to the effective date, whichever is later. • Must send to enrollees who are passively enrolled for receipt no later than 30 calendar days prior to enrollment. • Must be provided to current enrollees upon request, within three (3) business days of the request. • Must update directory information any time they become aware of changes. All updates to the online provider and pharmacy directories are expected to be completed within 30 days of receiving information. Updates to hard copy provider and pharmacy directories must be completed within 30 days; however, hard copy directories that include separate updates via addenda are considered up-to-date.
Method of Delivery:	Hard copy or via Electronic Notice of Documents (consistent with section 100.2.1 of the MCMG); or electronically, if enrollee has opted into receiving electronic version as permitted in section 100.2.2 of the MCMG.
HPMS Timing and Submission:	Code 16903
Guidance and Other Needed Information:	• MMPs are required to make available a single combined Provider and Pharmacy Directory. Separate pharmacy and provider directories are not permitted. MMPs may print separate directories for primary care physicians (PCPs) and

Provider and Pharmacy Directory	
	specialists provided both directories are made available to enrollees at the time of enrollment. • The single combined Provider and Pharmacy Directory must include all network providers and pharmacies, regardless of whether they provide Medicare, Medicaid, or additional benefits. • For MMPs with multi-county service areas, the combined Provider and Pharmacy Directory may be provided for all providers by county, provided the directory includes a disclaimer that the directory only includes providers in that particular county (or counties), that a complete directory is available on the plan's website, and that the enrollee may contact the plan's customer service call center to request assistance with locating providers in other counties or to request a complete hard copy Provider and Pharmacy Directory. • South Carolina MMPs must submit directory updates and/or addenda pages in HPMS, and these documents are reviewed consistent with the parameters for the South Carolina MMP Provider and Pharmacy Directory marketing code. • As applicable, refer to the language and guidelines issued in the August 16, 2018, HPMS memo, "Pharmacy Directories and Disclaimers" for the pharmacy portion of the combined directory.
Translation Required (5% Threshold):	Yes.

Scope of Appointment	
To Whom Required:	Must be documented for all marketing activities, in-person, telephonically, including walk-ins to MMP or agent offices.
Timing:	Prior to the appointment.
Method of Delivery:	Beneficiary signed hard copy, telephonic recording, or electronically signed.
HPMS Timing and Submission:	Code 16946
Format Specification:	No model required, must include required content.

Scope of Appointment	
Guidance and Other Needed Information:	• The following requirements must be on the scope of appointment (SOA) form or on the recorded call: o Product types to be discussed o Date of appointment o Beneficiary and agent contact information o Statement stating there is no obligation to enroll, current or future Medicare enrollment status will not be impacted, and automatic enrollment will not occur. • A new SOA is required if, during an appointment, the beneficiary requests information regarding a different plan type than previously agreed upon.
Translation Required (5% Threshold):	Yes.

Summary of Benefits	
To Whom Required:	Enrollees who are passively enrolled. Optional with the ANOC and as requested for other enrollees.
Timing:	• Must send to enrollees who are passively enrolled for receipt no later than 30 calendar days prior to enrollment. • Must be available by October 15 of each year, but can be released as early as October 1 of each year.

Required Materials for New MMP Enrollees

The following table summarizes the required materials, and timing of receipt, for new MMP enrollees.

Table 1: Required Materials for New Members

Enrollment Mechanism	Required Materials for New Members	Timing of Beneficiary Receipt
Passive enrollment	• Welcome letter • Formulary (List of Covered Drugs) (or a distinct and separate notice alerting enrollees how to access or receive the formulary) • Provider and Pharmacy Directory (or a distinct and separate notice alerting enrollees how to access or receive the directory) • SB	30 calendar days prior to the effective date of enrollment

Enrollment Mechanism	Required Materials for New Members	Timing of Beneficiary Receipt
Passive enrollment	• Member ID Card • EOC (Member Handbook) (or a distinct and separate notice alerting enrollees how to receive the EOC)[6])	No later than the day prior to the effective date of enrollment
Opt-in enrollment (with enrollment confirmation received more than 10 calendar days before the end of the month)[7]	• Welcome letter • Formulary (List of Covered Drugs) (or a distinct and separate notice alerting enrollees how to access or receive the formulary) • Provider and Pharmacy Directory (or a distinct and separate notice alerting enrollees how to access or receive the directory) • Member ID Card • EOC (Member Handbook) (or a distinct and separate notice alerting enrollees how to access or receive the EOC)[6]	No later than the last day of the month prior to the effective date

[6] If a distinct and separate notice is sent alerting enrollees how to access or receive the EOC (Member Handbook) (in accordance with section 100.2.1 of the MCMG) it must follow the SCDHHS template distributed to South Carolina MMPs on June 13, 2018.

[7] We clarify that this group of enrollees who opt in includes individuals who are eligible for passive enrollment but select a different MMP or initiate an earlier enrollment date than their passive enrollment effective date. MMPs should refer to the date of the Daily Transaction Reply Report (DTRR) that has the notification to identify the start of the ten (10) calendar-day timeframe.

Enrollment Mechanism	Required Materials for New Members	Timing of Beneficiary Receipt
Opt-in enrollment (with enrollment confirmation received less than 10 calendar days before the end of the month)[7]	• Welcome letter • Formulary (List of Covered Drugs) (or a distinct and separate notice alerting enrollees how to access or receive the formulary) • Provider and Pharmacy Directory (or separate notice alerting enrollees how to access or receive the directory) • Member ID Card • EOC (Member Handbook (or a distinct and separate notice alerting enrollees how to access or receive the EOC)[8]	No later than 10 calendar days from receipt of the CMS confirmation of enrollment
