<sup>1</sup> Number of patients and aggregate expenditures are national estimates (the 5 percent sample data are multiplied by 20). Expenditures reflect Medicare program payments (this excludes patients' 20 percent coinsurance).

<sup>2</sup> Part B therapy patient utilization rate is per 10,000 Medicare beneficiaries.

<sup>3</sup> State's percent of Medicare population is based on 1997 data.

Source: Urban Institute analysis of 5 percent annual samples of Medicare claims, 1999.
