

TABLE 4J.--OUT-MIGRATION ADJUSTMENT

The following list represents all hospitals that are eligible to have their wage index increased by the out-migration adjustment listed in this table. Hospitals cannot receive the out-migration adjustment if they are reclassified under section 1886(d)(10) of the Act or redesignated under section 1886(d)(8)(B) of the Act. Hospitals that have already been reclassified under section 1886(d)(10) of the Act or redesignated under section 1886(d)(8)(B) of the Act are designated with an asterisk. Hospitals have the opportunity to use the new additional 30-day period to review their individual situation to determine whether to submit a request to withdraw their reclassification/redesignation and receive the out-migration adjustment instead. We will automatically assume that hospitals that have already been reclassified under section 1886(d)(10) of the Act or redesignated under section 1886(d)(8)(B) of the Act wish to retain their reclassification/redesignation status and waive the application of the out-migration adjustment. Hospitals are not required to provide CMS with any type of formal notification that they wish to remain reclassified/redesignated.

*Hospitals that have already been reclassified under section 1886(d)(10) of the Act or redesignated under section 1886(d)(8) of the Act. These hospitals will retain their reclassification/redesignation status, and will not receive this out-migration adjustment unless

they inform CMS that they would like to waive their reclassification/redesignation status.

**This hospital was redesignated under section 1886(d)(8) of the Act, however, the hospital informed CMS that it wished to withdraw redesignation, and receive the out-migration adjustment instead. This hospital will thus receive the out-migration adjustment listed in the table.
