

**Annual Clinical Laboratory Public Meeting
Centers for Medicare & Medicaid Services
Auditorium
Monday, July 16, 2012**

This meeting provides a forum for interested parties to make presentations and submit written comments on new test codes. Comments and recommendations on whether these codes represent clinical diagnostic laboratory tests that should be paid under the CLFS or services that should be paid under the PFS should be provided in response to the proposals set forth in the CY 2013 PFS proposed rule. For purposes of this public meeting, comments and recommendations should be limited to the appropriate basis for establishing payment amounts for the new test codes under the CLFS for CY 2013.
