## Blue notice correction

A few weeks ago, you got a blue notice from Medicare letting you know about changes in your 2013 drug plan enrollment. Please disregard this blue notice. **The enrollment information in the notice is incorrect.** Read below for the correct information about changes to your 2013 drug plan coverage.

## Your Medicare Prescription Drug Plan is changing

You're getting this notice because your premium costs in <Old Organization Marketing Name>'s <Old Plan Name> (<old contract>/<old PBP>) will increase beginning January 1, 2013. Medicare is moving you to a new Medicare drug plan to make sure you pay \$0 for your monthly premium.

## What to do next: You have 3 options

**Option 1: If you do nothing, Medicare will enroll you in <New Organization's Name>'s <New Name of Plan (<new contract>/<new PBP>).** Your coverage starts January 1, 2013. With this new Medicare drug plan, you'll pay:

- \$0 of the monthly prescription drug plan premium
- <\$0 or up to \$66> of the yearly drug plan deductible
- <insert LIS copayment amounts > for each prescription covered by the plan filled at one of the plan's participating pharmacies

Visit <Plan website>, or call <New Plan Name> at <New Plan phone> for more information about this Medicare drug plan. Medicare will send you another blue notice (CMS Product No. 11475) letting you know which of the drugs you take will be covered in this plan.

This plan serves <states>. If this isn't where you live, call <New Plan Name> at <New Plan phone> to make sure it serves where you live now. If it doesn't, call 1-800-MEDICARE (1-800-633-4227) to choose and join a plan that serves the state where you live. TTY-users should call 1-877-486-2048.

**Option 2: You can stay in your current plan, but you must call your plan to let them know.** If you stay in <Old Organization Marketing Name>'s <Old Plan name >, you'll pay <cost> each month for your premium in 2013. If you want to stay in this plan, call them at <Old Plan telephone number> before December 31, 2012, and tell them you want to stay a member. **If you choose to stay in your current plan, don't send any money**

**now. Your plan will contact you about your payments. You'll send your payment to the plan, not Medicare.**

If you don't tell your plan you want to stay, Medicare will enroll you in <New Plan Name>.

Besides your premium cost, here are other things to consider when deciding whether to keep your current plan:

- Whether your plan will still cover your current prescription drugs next year
- Whether your plan will still include the pharmacies you use
- Whether you're satisfied with your current plan's service and quality

**Option 3: You qualify for Extra Help, so you can join a different Medicare drug plan anytime.** If you don't want Medicare to enroll you in a plan, and you don't want to stay with your current plan, you should switch to a new Medicare drug plan by December 31, 2012. A different Medicare drug plan may cover more of your drugs.

To switch to a different Medicare drug plan, see the list of plans included with this notice. You can join any plan in this list and pay <subsidy % or \$0> premium and <insert LIS copayment amounts > for each prescription. Since you qualify for Extra Help, you can switch Medicare drug plans anytime. Your new coverage would start the next month.

If you join a new plan, it's a good idea to do it as early as possible before December 31, 2012. Enrolling early in the month gives your new Medicare drug plan time to mail your membership materials before your new coverage becomes effective. This way, even if you go to the pharmacy on January 1, you can get your prescriptions filled without any problems.
