MEDICARE PLAN PAYMENT GROUP

Date: October 23, 2006

To: All Part D Plan Sponsors

From: Tom Hutchinson
Director

Subject: Attestation of Part D Pricing Approach

On July 20, 2006, we released guidance addressing how Part D Sponsors should report drug costs for plan years 2006 and 2007. This guidance permits Part D Sponsors that use a PBM to use either the lock-in amount or the pass-through amount as the basis for:

- f* calculating beneficiary cost sharing;
- f* accumulating gross covered drug costs;
- f* calculating TrOOP;
- f* reporting drug costs on the Prescription Drug Event (PDE) record; and
- f* developing bids submitted to CMS.

In this guidance, we stated that in order to ensure transparency in bid development, Part D Sponsors would be required to submit an attestation for all Part D plans, through HPMS and hardcopy, which identifies the pricing approaches (lock-in or pass-through) that were used in the development of the 2006 and 2007 bids.

You can now access this attestation of pricing approach on HPMS using the following navigation path: HPMS Homepage > Plan Bids > Bid Submission > CY 2007 (or 2006) > Upload > Attestation of Pricing Approach.

You must prepare and mail the attestations of pricing approach for plan years 2006 and 2007 to CMS **by November 17, 2006**.
