

# Dialyzer Reprocessing/Reuse Review

- **USE** Core Survey “Reuse Review” worksheet or STAR
- **OBSERVE** reprocessing area
- **OBSERVE high risk procedures:**
  - Transportation of used/dirty dialyzers; interview
  - Pre-cleaning: header cleaning; reverse ultrafiltration; fiber flush; interview
- **INTERVIEW** reuse technician: germicide use; dialyzer labeling
- **REVIEW facility documentation**
  - Reuse QA audits: labeling; set up for use; reprocessing procedures
  - Reuse equipment maintenance
  - Reuse adverse occurrences
