Focused Dementia Care Survey: Facility-Specific Questions

Parts 1, 2, 3, and 4 will be completed <u>once</u> for each nursing home. However, revisions and supplemental notations may be necessary, based upon surveyor observations, interviews, and record reviews.

Team Le	ader	":
Surveyo	rs on	Team:
Part 1 -	· Nu	rsing Home Demographics
	1.	Nursing Home Name:
	2.	State:
	3.	CMS Certification Number:
	4.	Dates of Site Visit (MM/DD/YYYY): to
Part 2 -	- De	mentia Care Policies, Leadership, & Documentation
	5.	Does the nursing home have a defined area dedicated to the care of residents with dementia? \Box Yes \Box No
	6.	Does the nursing home have specific policies and procedures related to dementia
		care? Yes No
	7.	Does the facility use nationally recognized dementia care guidelines, protocols, or
		a specific dementia care program as the basis for the provision of care in the
		facility? Yes No
	8.	If so, which guidelines or programs are used?
		☐ CMS' Hand in Hand Training Series
		☐ Other program(s)
		Is there evidence that the facility implements the nationally recognized dementia
		care guidelines, protocols, etc. as identified above? $\ \square$ Yes $\ \square$ No
Part 3-	Der	mentia Training and Education
	9.	Has the nursing home designated a person to provide dementia care training in
	٥.	the nursing home? Yes No
	No	te: CMS is collecting this for informational purposes only.

ls	s this designated person a: Nursing home employee Contractor or consultant
	f the designated person is a nursing home employee, what is their primary role in he facility?
	On average, how many hours per week does the designated person spend providing dementia care training?HR/WK
	: 40 hours a week should only be used when the person is identified as a full-time entia coordinator/educator and this is their primary responsibility.
□ Nur	Check all who receive dementia training: se Aides Non-Nurse Aide Staff Volunteers Contractors er: Please specify
□ Upo	Dementia education is provided (check all that apply): on hire/Initially Annually Periodically (i.e., facility assessment or a incident identifies the need) Other:
	s there documentation confirming that education is provided, as stated above? \square Yes \square No
an efj must relate deme traini partie	: If there are concerns related to the development, implementation, and maintenance of fective training program for all new and existing staff, excluding nurse aide staff, which include training on dementia management, consider a citation at F943. For concerns ed to the provision of in-service training, for nurse aide staff, which must include entia management training, consider a citation at F947. Additionally, if evidence of ing, skills, and competency testing are absent, consider a citation at F835 or F868, cularly if the nursing home's observed practices do not reflect accepted dementia care ellines.

Part 4- Quality Assessment & Assurance (QAA) Process

13. If concerns, related to the care of residents living with dementia, exist, ask the QAA chairperson or representative of the facility to identify an issue, related to supporting the individualized needs of residents with dementia that the facility systematically analyzed in the past twelve months.

	Provide a brief summary of the issue and how it was resolved.
	Does QAA documentation support that the nursing home systematically looked at the care process and that it was resolved? \Box Yes \Box No \Box Not Applicable
	Has the improvement been sustained? $\ \square$ Yes $\ \square$ No $\ \square$ Not Applicable
14.	Does evidence support that the nursing home has a QAA committee consisting of the director of nursing, the medical director or his/her designee, and at least three other staff members, at least one of whom must be an individual in a leadership role who has knowledge of facility systems and the authority to change those systems that meet quarterly? \square Yes \square No
	te: Request and review at least 3 months of committee meeting agendas to determine npliance.
For	concerns related to OAA improvement activities, consider a citation at F867. For concerns

related to QAA committee maintenance and implementation, consider a citation at F868.
