

## Technical Expert Panel Charter

**TEP Title:** Screening for Clinical Depression and Follow-Up Plan (Measure #134)

**Measure Contractor Convening TEP:** Quality Insights of Pennsylvania

**Role of the TEP:** Provide input to Quality Insights of Pennsylvania for the quality measure listed above.

**Scope and objective of TEP activities:** The TEP will perform an annual review of the existing measure including changes in evidence through literature review, legislative review, and specification review reflecting the expansion of the measure to include eligible professionals. This review will also consider the addition of the adolescent population to the measure.

**Goals for Improvement:**

- Measure specifications will reflect inclusion of eligible professionals as defined by CMS
- Measure specifications will include legislative mandates as appropriate
- Addition of adolescent population will be considered for inclusion

**Description of TEP duties:**

- Evaluate updated literature reviews
- Revise specifications for the quality measure
- Evaluate responses to the public comment period
- Evaluate the outcome of measure testing
- Finalize recommendations for the measure

**Estimated number and frequency of meetings:**

- TEP meetings will be conducted via teleconference with duration time of approximately 1 hour with anticipated self-directed meeting preparation time of 1-2 hours
- Anticipate total of 2-3 TEP meetings to complete the annual review

**Member composition:**
