

Technical Expert Composition (Membership) List

Project Title:

Development and Maintenance of Quality Measures for Skilled Nursing Facility Quality Reporting Program (SNF QRP)

Dates:

- The Technical Expert Panel met for a one-day, in-person meeting on May 9, 2019.

Project Overview:

The Centers for Medicare & Medicaid Services (CMS) has contracted with RTI International to develop and maintain quality measures for the SNF QRP. The contract name is Development and Maintenance of Symptom Management Measures. The contract number is HHSM-500-2013-13015I. As part of its measure development process, RTI International convenes groups of stakeholders and experts who contribute direction and thoughtful input to the measure developer during measure development and maintenance.

These individuals were selected and have agreed to serve as the TEP for this project.
