

TECHNICAL EXPERT PANEL COMPOSITION (MEMBERSHIP)

Project Title:

Development and Maintenance of Quality Measures for Skilled Nursing Facility (SNF) Quality Reporting Program (QRP)

Date:

August 23rd, 2017.

Project Overview:

The Centers for Medicare & Medicaid Services (CMS) has contracted with RTI International to develop and maintain quality measures for the SNF QRP. The contract name is Development and Maintenance of Symptom Management Measures (HHSM-500-2013-13015I). As part of its measure development and maintenance process, CMS asks measure developers to convene groups of stakeholders and experts who contribute direction and thoughtful input to the measure developer during measure development and maintenance. The following individuals were selected and have agreed to serve as the Technical Expert Panel for this project.
