

TECHNICAL EXPERT PANEL COMPOSITION (MEMBERSHIP) LIST

Project Title:

Development of Long-Term Care Hospital (LTCH) Ventilator Outcomes and Ventilator Process Measures TEP

Dates:

Two TEP in-person meetings were convened, in addition to seven webinar meetings and two patient advocate telephone interviews, between April 2014 and October 2016.

Project Overview:

The Centers for Medicare & Medicaid Services (CMS) has contracted with RTI International to inform the development of Ventilator Outcomes and Process Quality Measures for the CMS Long-Term Care Hospital Quality Reporting Program (LTCH QRP) (<http://www.cms.gov/LTCH-Quality-Reporting/>). As part of its measure development process, CMS asks measure developers to convene groups of stakeholders and experts who contribute direction and thoughtful input to the measure developer during measure development and maintenance. The following individuals were selected and have agreed to serve as the Technical Expert Panel for this project.
