

TECHNICAL EXPERT PANEL COMPOSITION (MEMBERSHIP) LIST

Project Title:

End-Stage Renal Disease Emergency Department Visits Technical Expert Panel

Dates:

March—December 2016

Project Overview:

The Centers for Medicare & Medicaid Services (CMS) has contracted with the University of Michigan Kidney Epidemiology and Cost Center (UM-KECC) to develop a quality measure(s) related to Emergency Department (ED) visits. The contract name is End Stage Renal Disease (ESRD) Quality Measure Development, Maintenance, and Support. The contract number is HHSM-500-2013-13017I. As part of its measure development process, CMS asks measure developers to convene groups of stakeholders and experts who contribute direction and thoughtful input to the measure developer during measure development and maintenance. The following individuals were selected and have agreed to serve as the Technical Expert Panel for this project.
