

TECHNICAL EXPERT PANEL (TEP) COMPOSITION (MEMBERSHIP) LIST

Project Title: End-Stage Renal Disease Physician Level Measure Development

Dates: January – September 2018

Project Overview:

The Centers for Medicare & Medicaid Services (CMS) has contracted with University of Michigan Kidney Epidemiology and Cost Center (UM-KECC) to develop one or more quality measures related to care provided to ESRD dialysis patients by physicians and mid-level providers. The contract name is End Stage Renal Disease (ESRD) Quality Measure Development, Maintenance, and Support. (CMS Contract number HHSM-500-2013-13017I). As part of its measure development process, CMS asks measure developers to convene groups of stakeholders and experts who contribute direction and thoughtful input to the measure developer during measure development and maintenance. The following individuals were selected and have agreed to serve as the Technical Expert Panel for this project.
