

Physician Compare Group Star Rating Cut-Offs Performance Year 2017

[Physician Compare](#) will publicly report measure-level star ratings for a subset of 2017 Merit-Based Incentive Payment System (MIPS) group quality measures. This document includes the star rating cut-offs for each of the 2017 measures reported as star ratings on group profile pages. Groups who scored at or above the benchmark will be assigned 5 stars. Groups who scored below the 2-Star cut-off will be assigned 1 star. For more information about star ratings, download the [Physician Compare Benchmark and Star Ratings Fact Sheet](#).

Performance Year 2017 Group Measure Star Ratings
