Open Payments System Quick Reference Guide (QRG)

Identity Management System (IDM) Registration

Introduction

This guide is for:

- Users who have not previously registered in the Centers of Medicare & Medicaid Services (CMS) Enterprise Portal/Identity Management System (IDM). IDM supports other CMS programs, such as the Physician Quality Reporting System (PQRS).
- CMS Enterprise Portal users who have not previously accessed the Open Payments system.
- Users who previously registered in the CMS Enterprise Portal/IDM and the Open Payments system, but their account was deactivated due to inactivity.

Participation in the Open Payments system requires users to be registered in both IDM and the Open Payments system. This two-step verification process is to prevent others from using a user’s identity fraudulently.

Prerequisites

- None

Actions

- Registering in IDM and requesting access to the Open Payments system.

Step 1: IDM New User Registration (skip to Step 2 if you already have an IDM User Identifier (ID))

2. On the Select Your Application page, select “Open Payments” from the drop-down list and agree to the Terms and Conditions of the CMS Enterprise Portal page, then select Next to continue.

3. Agree to the Terms and Conditions of the CMS Enterprise Portal page and then select Next to continue. There are two Terms and Conditions sections that are of particular importance to read:
   - Consent to monitoring; and
   - Collection of Personal Identifiable Information (PII).

Last Modified: January 2024
Consent to monitoring means that you agree to allow CMS to monitor your activity and actions performed through CMS applications while logged into the CMS Enterprise Portal and accessed through IDM.

PII is information that one can use to uniquely identify, contact, or locate a single person, or can be used with other sources to uniquely identify a single individual. CMS applications collect personal information collected to use for the purpose of verifying your identity only.

4. Enter requested personal information on the Register Your Information page. Data fields to be completed are the following:

- Name (First, Middle, Last, Suffix)
- Date of Birth (Month, Date, Year)
- Is Your Address US Based (Yes/No)
- Home Address, City, State, Zip Code
- Personal Email Address
- Confirm Email Address
- Personal Phone Number

NOTE FOR INDIVIDUALS WITH FOREIGN ADDRESSES: Individuals with addresses outside of the United States can register in IDM via the online portal, but the Open Payments Help Desk must conduct the identity proofing manually in some cases. Once you enter the information into the CMS Enterprise Portal, contact the Open Payments Help Desk at openpayments@cms.hhs.gov or 1-855-326-8366, or for the Teletypewriter (TTY) line call 1-844-649-2766 for assistance with the manual identity proofing process.

Enter your legal name, current home address, primary phone number, and email address correctly. IDM collects personal information only to verify your identity with Experian, an external identity verification provider (explained in the next section). If IDM does not validate this information successfully and identity proofing fails, contact the Open Payments Help Desk at 1-855-326-8366. Select Next.

5. On the Create User ID, Password & Security Question/Answer page, create an IDM username and password in accordance with the guidance provided below. You must select a security question and provide a security answer. Select Next when finished.

- The CMS Portal User ID:
  - Must be between 6 - 74 characters and contain at least one letter;
  - Can contain alphanumeric characters;
  - Allowed special characters are limited to hyphens (-), underscores (_), apostrophes (‘), and periods (.)

Last Modified: January 2024
• The @ symbol is allowed only if the User ID is in a valid email address format (j.doe@abc.edu or 123@abc.com).
• Cannot contain eight (8) consecutive numbers;
• Cannot begin or end with special characters;
• Cannot contain more than one (1) consecutive special character

• Your IDM password:
  • Password must be a minimum of 15 characters;
  • Password must contain: one (1) upper case and one (1) lower case letter, and one (1) number;
  • Password may use the following special characters: " ! $ % & ' ( ) * + , - . / ; < = > ? @ [ ] ^ _ ` { | } ~
  • Password cannot contain: Parts of User ID, First Name, Last Name, common passwords;
  • Password can only be changed once every 24 hours;
  • Password must be different from the last six (6) passwords;
  • Password must not exceed 60 characters

• Confirm password:
  • Confirm password;
  • Enter the same password

• Select your security question:
  • Select a question from the dropdown list of questions

• Security answer:
  • Can contain alphanumeric characters;
  • Can contain spaces;
  • Must be at least four (4) characters;
  • Cannot contain part of the security question;
  • Your security answer is required for you to reset your password or unlock your account

6. On the New User Registration Summary page, review the information and make any necessary edits before submitting. Select Submit User to submit the information.

7. A Confirmation page displays acknowledging successful registration in IDM. Select the CMS.gov Enterprise Portal link (top left) or the Login link in the green window to go to the CMS Enterprise Portal home page. The profile configuration can take up to 24 hours. If you are unable to login after that timeframe, call the Open Payments Help Desk at 1-855-326-8366. For the TTY line, call
1-844-649-2766. After successful IDM registration, proceed to Step 2: Request Access to the Open Payments System.

**Step 2: Request Access to the Open Payments System**

   You will receive a prompt to register a Multi-Factor Authentication (MFA) device. Select the MFA you would like to register for by using the drop-down arrow.

   Next, enter the information for your MFA.

2. You will land on the My Portal page. Select **Add Application**.

4. Select **Open Payments** from the dropdown menu

5. You will now select one of the following user roles from the choices in the **Select a Role** dropdown menu:

   **Physician, Non-Physician Practitioner, Teaching Hospital Authorized Representative, or Reporting Entity Submitter/Attester/Compliance Role:** Only US and foreign (those users that do not have a US-based address and/or a US Social Security number) physicians, non-physician practitioners, and users nominated for a role by a covered recipient/registered entity should choose this role including reporting entity officers and teaching hospital authorized officials who were nominated (or are self-nominating). Users who will be registering a NEW reporting entity profile (applicable manufacturer or applicable group purchasing organization) or users registering a NEW teaching hospital profile should NOT choose this role.

   **Reporting Entity Officer or Teaching Hospital Authorized Official Role:** Only US users that will be registering a NEW reporting entity profile (applicable manufacturer or applicable group purchasing organization not already registered in the Open Payments system) or a NEW teaching hospital profile, should choose this role.

   **Open Payments Foreign User Role:** Only foreign users (those users that do not have a US-based address and/or a US Social Security number) who will be registering a NEW reporting entity profile (applicable manufacturer or applicable group purchasing organization not already registered in the Open Payments system) or a NEW teaching hospital profile, should choose this role. Note: After selecting this role, users should wait for an email from the Open Payments Help Desk that will provide additional information.
6. If you selected the “Reporting Entity Officer or Teaching Hospital Authorized Official” role, you will now begin the Identity Verification process. Select Launch to start.

Experian performs a soft credit inquiry to verify your identity. Remote Identity Proofing (RIDP) does not affect your credit score. Soft credit inquiries are visible only to the user and only appear on credit reports produced by Experian. Credit inquiries are not visible to lenders. If you order a credit report from Experian, you will see an entry of inquiry by the “Centers for Medicare & Medicaid Services” with CMS’s address and the date of request. If you have questions about Experian’s verification process, please refer to Experian Customer Assistance at http://www.experian.com/help/.

Enter your legal name, current home address, primary personal phone number, and personal email address correctly.

IDM collects personal information only to verify your identity with Experian, an external identity verification provider (explained in the next section). If IDM does not validate this information successfully and identity proofing fails, contact the Open Payments Help Desk at 1-855-326-8366. Select Next.

Selecting Cancel causes you to lose all data entered.

Note: This process is called the Remote Identity Proofing Process (RIDP).

7. If RIDP is successful, you will receive a confirmation notice. Select Next to continue.

8. If RIDP is unsuccessful, note the response code and follow the directions in the error message.

9. Enter a justification for being granted the role in the Reason for Request field and select Submit.

10. A confirmation message appears. Select OK.

After selecting OK, log out of the system and log back in to continue to the next steps.
Next Steps

- **Applicable manufacturer (AM) or applicable group purchasing organization (GPO)** users must create a profile for their entity in the Open Payments system. If an entity already has a profile, users can accept a nomination for a user role (if the user has received one), or a user can nominate themselves for a user role and an officer can approve the nomination.

  **Note:** Log out from IDM and log back in to create a profile in the Open Payments system.

- **For physicians** (including principal investigators), **non-physician practitioners (NPP)** (including principal investigators) or **teaching hospitals**, the next step is to create a profile for yourself in the Open Payments system.

  **Note:** Log out from IDM and log back in to create a profile in the Open Payments system.

Additional Resources

All registration resources are on the Resources page of the CMS Open Payments website at https://www.cms.gov/OpenPayments/About/Resources.html.

Quick reference guides relevant to your next steps include:

**AMs/Applicable GPOs**

- AM/GPO Registration and Recertification
- Reporting Entities: User Roles, Nominations, Approving/Modifying Nominations, and Deactivating Users
- Self-Nominations and Accepting/Rejecting Nominations
- Physician and NPP Registration
- Teaching Hospital Registration
