

THE SECRETARY OF HEALTH AND HUMAN SERVICES

WASHINGTON, D.C. 20201

JAN 16 2018

Dear Tribal Leader:

I write to invite you to the 20th U.S. Department of Health and Human Services (HHS) *Annual Tribal Budget Consultation (ATBC)*, which will take place February 28–March 1, 2018, at the Hubert H. Humphrey Building at 200 Independence Avenue, SW, Washington, D.C., as well as to the 2018 *Annual Regional Tribal Consultation (RTC)* sessions held across the country. We will once again offer one-on-one consultation for individual tribes at the ATBC, as well as at each of the RTC sessions.

The Department understands the importance of having a dialogue with tribes on national and regional issues, as well as tribal-specific concerns. Below you will find a brief description of the ATBC, as well as details for the RTC sessions. HHS will begin hosting planning calls for the ATBC on Wednesday, January 24, 2018, at 3:00 p.m. ET. Additional details are included in the enclosure.

20th ATBC

The ATBC session will provide a forum for tribes to collectively share their views and priorities with HHS officials on national health and human services funding priorities and make recommendations to the Department regarding our Fiscal Year 2020 budget request. We hope the consultation will provide a venue for dialogue and discussion between tribal leaders and HHS officials on program issues and concerns that will lead to recommendations for action. The schedule for this year's consultation is as follows:

Tribal Resource Day: Wednesday, February 28, 2018

This session is designed to give an overview of the programs, grants, and services that the Department provides to tribes. It will be held from 9:00 a.m. to 12:00 p.m. and is particularly helpful for newly-elected tribal leaders or others who want a comprehensive introduction to HHS.

One-on-one meetings with HHS Divisions: Wednesday, February 28, 2018

We will once again provide tribes time for one-on-one meetings to share their specific health and human service issues with HHS officials. Various HHS agencies will be available to listen and contribute to the conversation. Please note that the amount of time that you are allotted to meet with individual HHS officials will be determined by the volume of requests. All requests for one-on-one meetings must be received through pre-registration by COB Friday, February 16, 2018.

Annual Budget Consultation: Thursday, March 1, 2018

We will begin the consultation session at 9:00 a.m. HHS will identify specific issues on which we would like to consult with tribes and will send them to you in advance so that you can prepare your thoughts, ideas, and recommendations.
