

# 21<sup>st</sup> Century Evaluations

Jill Slomski

# Overview of New Technologies

---

## **For numeric ratings:**

- Audience Response System (Response Cards)

## **For comments, which are equally essential:**

- QR (Quick Response) Codes
- Feedback Kiosk
- Online evaluations

# Audience Response System (ARS)

Answering just 4 fast questions will help us make this conference more valuable to you.

*Have your Response Card ready!*

# Using ARS

- As each question is shown, press the **button** that corresponds to your answer.
- You can change your answer as often as you like —only your last answer (shown in the **window** at the top) will be recorded.

# Sample Question

---

1. The subject matter was interesting and relevant to my needs.

**1/A** Strongly agree

**2/B** Agree

**3/C** Disagree

**4/D** Strongly disagree

# Your Comments Are Valuable!

---

In addition to providing the numeric ratings, we would greatly appreciate your thoughts, suggestions, and concerns.

# Using the QR Code

---

If you've never used a QR code, it's easy:

- Take out your cellphone
- Get on the internet
- Download a free QR reader from one of the sites listed in the **Comments** tab in your binder
- Now that you have the application, you're ready to go!

# Using the QR Code

---

Once you have the app, it's easy to use the QR Code:

- Use your phone's camera to take a picture of the code (*or* use your phone to scan the code)
- Enter your comments
- Click **Submit**

# Feedback Kiosk

---

Another way to leave feedback is via computer. Two computers have been set up with a survey program that allows you to enter comments. They are in the hallway outside Salon D.

- Click on the relevant **Session**
- Enter your comments
- Click **Done**

# Online Survey

---

You can also use your laptop or any other computer to enter your comments online. Just go to this website:

<https://www.surveymonkey.com/s/2011DenverRegionConference>

*You can do this any time—right now, tonight, or anytime within the duration of the conference.*

# Summary

---
