

## Participant Instructions to Ask Questions

### Overview

The CMS 2015 Medicare Advantage & Prescription Drug Plan Fall Conference & Webcast will offer all participants an option to submit questions during the live conference.

These questions will be sent to the appropriate speaker and answered during the “live” event or published on the CMS website following the event. Due to the large number of participants, we ask that you limit your questions to one per session.

### Ask CMS Questions During “Live” Event

Webcast participants will need to view the conference in either USTREAM or YouTube; however, all participants will be able to ask their own questions via

Please follow the instructions located on the website to submit your questions.

### Important Note

Using an Ethernet connection instead of Wi-Fi may increase the webcast streaming speed and prevent delays.

If you experience any technical issues, please submit them to [CTEOTechSupport@cms.hhs.gov](mailto:CTEOTechSupport@cms.hhs.gov).
