

**DATE:** February 4<sup>th</sup>, 2026

**SUBJECT:** Notice of CMS Kidney Care First Practices and Kidney Care Entities Participating in Performance Year 2026 of the of the Kidney Care Choices (KCC) Model

The Centers for Medicare and Medicaid Innovation is announcing that 74 Kidney Contracting Entities (KCEs) are participating in Performance Year 2026 (PY 2026) of the Kidney Care Choices (KCC) Model. These model participants, some of whom joined the model in PY 2022 and others who joined in PY 2023, will serve Medicare fee-for-service beneficiaries in 42 states as well as in the District of Columbia. Thirty-five of the KCEs will participate in the Global Option and 39 will participate in the Professional Option.

The Innovation Center congratulates the following organizations and looks forward to their participation in the KCC Model:
