MLN Connects™
Post-Call Clarification

Implementation of HIPAA Version 5010 and D.0 Transactions

January 19, 2011

CORRECTIONS

1) Page Number 14

The transcript of this call contains areas that need clarification:

1) On Page #14 of the transcript, additional information needs to be added to the CMS response to Beverly McMurry's question.

   CORRECTION/CLARIFICATION:
   After further review, Loop 2000B SPR01 Codes acceptable are P or S. Submission of other values will cause your claim to reject. Therefore, any Medicare Secondary Payer (MSP) tertiary claims will be rejected.
