

CMS Manual System	Department of Health & Human Services (DHHS)
Pub 100-20 One-Time Notification	Centers for Medicare & Medicaid Services (CMS)
Transmittal 1033	Date: January 27, 2012
	Change Request 7661

NOTE: Transmittal 1033, dated January 27, 2012, is being rescinded and replaced by Transmittal 1051 to delete the dates of the conference call discussions, reduce the number of calls, and add CCI to the requirements in business requirement 7661.1. The conference calls will be held on dates to be determined. All other information remains the same.

SUBJECT: Analysis of Improper Overpayments to Design Edits to Correct these Overpayments in CWF, MCS, and FISS.
