| Transmittal 614 | Date: December 23, 2009 |
| | Change Request 6566 |

Transmittal 614, dated December 23, 2009, is being rescinded and replaced by Transmittal 625, dated January 25, 2010 to add BRs 6566.7 – 6566.10 outlining instructions for a one-time extract from PECOS to VMS to submit accreditation code and product code linked to the DMEPOS suppliers including applicable dates. Also, BRs 6566.17 – 6566.19 were added to clarify instructions for claims payment, specifically dates of service and supplier submitted adjustments, for the DME MAC and VMS, per their request. The remaining BRs were re-numbered as necessary. Finally, the “Supporting Information,” in part IV was revised to include a newly effective (January 1, 2010) additional oxygen-related HCPCS code (“E0433 Portable liquid oxygen system, rental”) in Attachment C. All other information remains the same.
