1/ These facilities (SPRDFs) will be assigned the same provider number whenever they are recertified.

NOTE: Religious Nonmedical Health Care Institutions (RNHCI) are not certified by SAs. The provider numbers for RNHCIs are assigned by the Boston RO.

EXCEPTION - Organ procurement organizations (OPOs) are assigned a six-digit alphanumeric identification number. The first two digits identify the State code. The third digit is the alpha character "P." The remaining three digits are the unique facility identifier.

2779K – HHA Branch Identification Numbers

(Rev.6, Issued: 04-29-05, Effective: 10-01-05, Implementation: 10-03-05)

HHA Branches are identified by the assignment of a 10-digit alpha-numeric number. Each branch is numbered with the same provider identification number as the parent or subunit with two modifications: (1) The letter “Q” will be in the third position between the state code and the 4-digit provider designation; and (2) three additional digits are added to the end of the number. The last 3 digits are a one up number for each consecutive branch. These digits allow the capability of assigning up to 999 branches to one parent or subunit HHA. Branch identification numbers will be used only once. In the event that an HHA branch closes, its unique branch identification number is terminated and will not be reused to identify another branch of that HHA or subunit.

HHA branch identification numbers are not used for reimbursement purposes.

Example: ABC Home Health Agency has three branches. Its provider identification number is 017001. ABC’s three branches would be assigned the branch identification numbers 01Q7001001, 01Q7001002, and 01Q7001003.

2779L – Outpatient Physical Therapy (OPT) Extension Identification Numbers

(Rev.6, Issued: 04-29-05, Effective: 10-01-05, Implementation: 10-03-05)

OPT extensions are identified by the assignment of a 10-digit alpha-numeric number. Each extension is numbered with the same provider identification number as the parent with two modifications: (1) The letter “P” will be in the third position between the State code and the 4-digit provider designation; and (2) three additional digits are added to the end of the number. The last 3 digits are a one-up sequence number for each extension number starting with 001. These digits allow the capability of assigning up to 999 extensions to one OPT. Extension identification numbers will be used only once. In the event that an OPT extension closes, its unique extension identification number is terminated and will not be reused to identify another extension of that OPT.

OPT extension identification numbers are not used for reimbursement purposes.

EXAMPLE: *Vibrant Physical Therapy has three extensions. Its provider identification number is 556599. Vibrant’s three extensions would be assigned the extension identification numbers 55P6599001, 55P6599002, and 55P6599003.*
