FAQ Highlights: Registration Questions

To help ensure that your registration process goes smoothly and for your easy reference, we have provided answers below to two of the most common registration questions from our FAQs found on the CMS [website](#).

1. How will EPs and eligible hospitals apply for incentives under the Medicare and Medicaid EHR Incentive Program?

Registration for the Medicare and Medicaid EHR Incentive Programs began on January 3, 2011. However, the Medicaid Incentive Program is rolled out on a state-by-state basis. An updated schedule of state-planned Medicaid Incentive Program start dates can be found on the [CMS website](#).

2. If a hospital is eligible to participate in both the Medicare and Medicaid EHR Incentive Programs, how should they register?
If a hospital meets all of the following qualifications, it is dually-eligible for the Medicare and Medicaid EHR Incentive Programs:

- It is a subsection(d) hospital in the 50 U.S. States or the District of Columbia, or you are a Critical Access Hospital (CAH), and
- It has a CMS Certification Number ending in 0001-0879 or 1300-1399, and
- It has 10% of patient volume derived from Medicaid encounters.

Any hospitals that meet these three qualifications, must register for "Both Medicare & Medicaid" when registering for the programs.

We will keep you informed of future updates to our FAQs throughout the duration of the CMS EHR Incentive Programs.
